About Me

Graphic designer

drawn to visuals that create a mood, not just a message. I am especially inspired by art history and museum spaces, and I enjoy exploring both traditional and digital illustration. I love bringing a sense of feeling and atmosphere into everything I create.

Work Experience

Tommy Nobis Center, Atlanta, GA — Communications/Development Intern (January 2026-Present)

Responsible for designing marketing collateral for the brand, including digital and printed assets, as well as collaborating with internal departments to ensure consistent branding and aligned communication strategies

Bath & Body Works, Kennesaw, GA — Keyholder (October 2022-Present)

Responsible for leading associates and delegating projects to them, analyzing the business, opening and closing the store, controlling inventory, and telling the brand's story through visual merchandising

TMaxFit, Atlanta, GA — Digital Marketing Intern (August 2025-November 2025)

Responsible for designing social media graphics, managing content scheduling, creating video content, and supporting event promotions
