7. Thinking back to the factors that impacted your performance, explain what specific behavioral changes you will make, how your situation has changed (if it has), and/or resources you plan to utilize to successfully complete the course if you are granted a waiver.

Provide your initials below to indicate that if this waiver is approved, you:

___ Agree to attend every class and/or check D2L daily during the standard work week.

___ Agree to complete and submit all assessments/assignments on time.

___ Agree to contact your instructor immediately if you are unable to attend class (or check D2L) and/or submit assessments/assignments on time in the case of extenuating circumstances.

___ Agree to implement the changes you have specified in the prior section.

___ Agree to seek assistance from your instructor(s), the Department of Psychological Science, your academic Advisor(s), and/or other KSU staff when you encounter issues that are impeding academic success.

___ Agree to utilize the KSU resources as needed (e.g., Writing Center, Psych Lab, SI Leaders, CPS).

___ Agree to meet with your academic advisor at least once a semester.

Policy and Procedures:

Consistent with the [2024-2025 KSU Policy on Re-enrollment](#), complete this form to have the Department Chair (or designee) of Psychological Science review your request. A departmental representative may contact you to schedule a meeting to discuss your request. You should receive a decision within 5-7 business days.

Initial below:

____ I have read and understand the KSU Re-Enrollment Policy:

____ I understand that...

- if this application is incomplete, lacks detail, or contains inaccurate information, it will be denied.
- the decision of the Chair (or designee) is final.
- if the waiver is granted, an override into a closed section will not be given.
- if the waiver is granted, psychology course prerequisites will not be waived.
- if the waiver is not granted,
 - you may attempt an equivalent course at another institution (if applicable) and seek to transfer it to KSU (if you earn at least a "C") or
 - if the course is critical to your degree progress and cannot be taken elsewhere, you will need to change your major.
