

\$125 FE EXAM GRANTS

For Engineering Students

Take the next step toward your engineering career

You've invested years into your engineering degree—don't stop short of the credential that keeps your future options open.

Through the GSPE FE Grant\$ program, we are awarding 10 grants of \$125 to help students take the Fundamentals of Engineering (FE) Exam—the first step toward becoming a Professional Engineer.

WHY TAKE THE FE NOW

- Most likely to pass while still in school
- Strengthens your resume with Engineer Intern (EI) credential
- Keeps future career options open
- Avoids "I'll do it later"

APPLY NOW
Limited to 10 students

Who Can Apply

- Enrolled in an accredited engineering program
- GSPE student member (free)
- FE exam scheduled near graduation

What You Get

- \$125 reimbursement for FE exam
- Recognition from GSPE
- Opportunity to be featured
