Chapter 1: Introduction

I. Foreword

Student Organizations are important!

Organizations at Kennesaw State University actively participate in and contribute to a vibrant university community. Approximately 375 Registered Student Organizations (RSOs) at KSU provide transformative experiences and opportunities for students to grow as individuals, leaders, and community members. The debates, social and cultural events, lectures, and many other activities organized by student groups contribute to making the student experience the best that it can be.

The Department of Student Activities works proactively to guide student organizations by providing education, training, and consultation. RSOs and the Department of Student Activities exist as partners in the University community. Student Activities staff serve as facilitators to student organizations by defining appropriate boundaries, sharing information, and assisting in the decision-making process. We work to help RSOs appropriately manage their risks and achieve their goals.

Finally, research has shown that students who are involved on campus are more likely to be successful and to gain more from their time in college (Astin, 1984).

Accordingly, student organizations provide opportunities to gain valuable experience in the practical aspects of leadership, communication, risk management, and teamwork. As such, student engagement in clubs and organizations are an important component to campus life at KSU that provides an outlet for the student voice to be heard and a vehicle for students to have a substantial impact on campus.

II. About this Manual

This manual outlines the expectations and responsibilities of RSOs at Kennesaw State University and provides guidance on their operations. This manual outlines policies, procedures, and guidelines applicable to RSOs. It is created by the staff in the Department of Student Activities. It is revisited every year before the start of the academic year and may change from academic year to academic year. As such, this version of the manual should only be referenced within the academic year indicated (2026-2027). It is by no means exhaustive, but it is a great place to start if you are new to student organizations or a leader in one. In it you will find helpful information regarding the organization and operation of RSOs and policies

that impact their work. Any updates to policies, procedures, guidelines, or regulations to RSO activities (e.g., meetings, events, programs, recruitment, ads, elections, etc.) provided by Kennesaw State University, the University System of Georgia, or the State of Georgia take precedence over any previous documented policies, including those outlined in this manual. Please note that amendments may be made to the policies and procedures in this manual throughout the academic year upon university approval. All updated changes will be made according to the manual and provided to our student population in a timely manner.

III. About the Department of Student Activities

Purpose Statement: The Department of Student Activities at KSU is all about creating exciting and engaging opportunities for students! We offer a wide range of resources, activities, and events that make the collegiate experience unforgettable. Through vibrant student organizations, signature programs, dynamic media, and campus-wide events, we foster a lively campus environment that brings students together. Our goal is to inspire learning, development, ownership, community building, and self-discovery every step of the way!

All registered student organizations are supported and managed through the Department of Student Activities, which facilitates the registration, oversight, and support of all registered student organizations. By completing the process for becoming a registered student organization, student organizations formally acknowledge the Department of Student Activities' administrative authority. For organizational support, there are full-time professional staff on each campus, as well as student assistants in the Department of Student Activities offices. External partners affiliated with student organization activities are expected to adhere to applicable University policies and procedures.

Contact information for the Department of Student Activities is provided below. Additional contact information may be accessed on the Student Activities website.

Chapter 2: Registered Student Organizations (RSO)

Policy

I. Registered Student Organization ("RSO") Purpose and Overview

Registered Student Organizations at Kennesaw State University ("KSU") provide a forum for the educational, intellectual, and social benefit of KSU students. By registering as an RSO, student organizations are able to receive support from the Department of Student Activities and access to certain resources available to RSOs. By registering as a student organization at KSU, organizations are bound by expectations and requirements set forth in applicable law, Board of Regents and KSU policies and procedures.

To be considered an RSO, a student organization must be able to meet the requirements to register as an RSO, as outlined in this document, and must choose to register with KSU's Department of Student Activities. Fraternity and Sorority Life Organizations, who are supported and organized through the Department of Fraternity and Sorority Life, and Club Sports, who are supported and organized through the Department of Sports and Recreation, cannot become RSOs.

Kennesaw State University defines Club Sport as a group of activity fee-paying KSU students, voluntarily organized for furthering their common interests in a physical activity; both recreational and competitive team models are supported and encouraged. The University Recreation department oversees these organizations for both campuses, and each club is formed, developed, governed, and administered by the student membership of that club in collaboration with the Sport Programs staff. All clubs, both competitive and recreational, are open to all skill levels and must adhere to Kennesaw State University and University Recreation requirements and procedures.

For more information about Club Sports, please visit:

<https://campus.kennesaw.edu/current-students/student-affairs/wellbeing/university-recreation/programs/club-sports.php#manuals>.

Kennesaw State University defines Fraternity and Sorority Life organizations as student groups affiliated with a recognized inter/national fraternity or sorority, organized to promote leadership, scholarship, service, and brotherhood or sisterhood. These organizations are advised and supported through the Department of Fraternity and Sorority Life and operate in accordance with

university policies, governing council guidelines, and (inter)national organization standards. Membership selection processes, where applicable, are governed by each organization and its respective council. All Fraternity and Sorority Life organizations must adhere to Kennesaw State University and Fraternity and Sorority Life requirements and procedures.

For more information about Fraternity and Sorority Life, please visit:

<https://campus.kennesaw.edu/current-students/student-affairs/involvement/fraternity-sorority-life/index.php>

However, these types of organizations are held to the following criteria found in the RSO manual regarding reservations and other organizational processes.

Each RSO at KSU will have one (1) or more category designations, the definitions of which are set forth below. Each RSO must initially register as an RSO pursuant to the instructions set forth below and must renew its registration with the KSU Department of Student Activities on an annual basis. KSU's review of a student organization's initial registration and registration renewal is conducted on a content-neutral basis and KSU's approval or denial is not based on the mission, goals, or beliefs of the student organization. KSU's decision on whether to approve a student organization's application as an RSO is based solely on the organization's submission of a properly completed registration application, as set forth below, and its demonstration of a bona fide intent to sponsor programs, activities, or events for KSU students. Registration of a student organization does not constitute endorsement by KSU or approval of the student organization's policies and activities.

Note: Club Sports and Fraternity and Sorority Life organizations must adhere to additional policies established by Sports and Recreation and Fraternity and Sorority Life, which extend beyond the guidelines outlined in the RSO Manual. Organizations within these categories are responsible for ensuring compliance with all relevant policies and should consult Sports and Recreation or Fraternity and Sorority Life for clarification as needed

II. RSO Categories

Registered Student Organization categories describe the common purposes that exist among organizations with a similar primary mission. Each category has a designated professional staff event coordinator assigned to support and advise the organizations within that area. All RSOs fall into at least one (1) category, and some RSOs may fall into multiple categories based on their operations.

The categories of RSOs at KSU are as follows:

- A. *Academic and Professional:* Organizations that promote academic or professional growth by focusing on a particular major or academic program.
- B. *Applied Academic Competition Teams:* Organizations that compete on a local, state, or national level in primarily applied academic competitions.
- C. *Community Service:* Organizations that provide volunteer and community service opportunities including, but not limited to, philanthropy activities, advocacy work, and hands-on service opportunities.
- D. *Cultural-Based and International:* Organizations that act as a means for students of a particular culture or nationality to interact with others of the same affiliation or to share their respective culture with the broader campus community.
- E. *Faith-Based and Spiritual:* Organizations that act as a means for students of a particular denomination or religious affiliation to interact with others of the same affiliation or to explore ideas and topics related to faith and spirituality.
- F. *Graduate:* Organizations that exist to provide benefits, support, and services primarily to graduate students.
- G. *Honor Society:* Organizations that recognize students and select membership based on academic and personal achievement.
- H. *Military:* Organizations that support and advocate for military veterans and military members.
- I. *Performance and Fine Arts:* Organizations that promote the enjoyment of or performance of the arts and music.
- J. *Political:* Organizations that relate to, or deal with, the structure and affairs of government, politics, or the state, whether partisan or non-partisan.
- K. *Publications and Media:* Organizations that exist to provide information related to their purpose through means of mass communication, such as newspapers, magazines, radio, or television.
- L. *Social Action:* Organizations that discuss, encourage, or engage in reform work related to a particular cause or movement for social change.
- M. *Special Interest:* Organizations that focus on a specific set of interests or topics and work to advance members' understanding in that specific area or engage in a particular past time or leisure pursuit.
- N. *Fraternity and Sorority Life:* Organizations affiliated with national or local fraternities and sororities that promote leadership, scholarship, service, and community, while fostering lifelong bonds through shared values and traditions.

III. Requirements for RSOs

Any student organization interested in becoming or remaining an active RSO must meet the following requirements to initially register or renew its registration as an RSO and to maintain its status as an active RSO. Below are the different statuses.

Recognition Statuses

- **Active:** An organization that has completed all registration requirements and maintains compliance with university policies.
- **Frozen:** An organization that has failed to complete administrative requirements and temporarily loses certain RSO privileges until deficiencies are corrected.
- **Inactive:** An organization that has failed to maintain registration requirements and is no longer recognized as an active RSO.
- **Revoked:** An organization whose recognition has been removed by the University due to violations of policy or failure to meet recognition requirements.

- A. *Student Membership:* All RSOs must have at least five (5) KSU student members in good standing joined together for a common purpose (general membership may be comprised of both full-time and part-time KSU students). All student members must be currently enrolled (matriculated) at KSU and maintain an active student classification status (undergraduate or graduate) during the period of membership. The KSU email address for each student member must be provided as part of the organization's registration application. RSOs must be open to all students as described in the Non-Discrimination Policy (refer to Chapter 2, Article III.E.10), regardless of major, college of enrollment, or degree program (graduate or undergraduate).
- B. *Governance Structure:* One (1) distinct student member of the student organization, who is also a KSU student in good standing enrolled on at least a half-time basis, must be designated for each of the following officers – President, Reservation Delegate, and Treasurer (student organizations may call these officers by a different name within the organization, but for the purposes of Student Activities, the President is the chief executive officer, the Treasurer is the person who handles finances, and the Reservation Delegate is the person who will have access

to the reservation system to make reservations on behalf of the organization in addition to the President); other officers are encouraged but not required. The President cannot also serve as the Reservation Delegate or Treasurer. While an organization may functionally have Co-Officers, for the purpose of RSO registration, each organization may only register one (1) President, Reservation Delegate, and Treasurer with the Department of Student Activities;

C. *Student Run/Democratic*: Student self-governance is the central tenet of the RSO model, and all RSOs must function through KSU student governance and leadership;

1. Faculty, staff, non-student community members, and any non-student entities may participate in RSO activities and act in an advisory role to the RSO but cannot serve as leaders or voting members of the RSO, engage in decision making on behalf of the group, be on financial accounts or represent the group or the University. RSOs may elect to allow Georgia Highlands College students to be voting members in their organization if that is permitted by the RSO's Constitution.
2. Non-student affiliated entities can require that the RSO maintain certain policies or protocols to continue their affiliation (e.g., dues, annual reports) if the policies or procedures do not interfere with student autonomy or require the RSO to violate the law or Board of Regents or KSU policy or procedure.
3. All RSOs must engage in democratic style governance as evidenced in their governing documents (e.g., regular elections, checks and balances for leadership). No RSO is allowed to give its student leaders one-sided control over organization decisions.
4. All RSOs must include a leadership elections process in their constitution. Elections must be held regularly and RSOs are encouraged to hold elections at least annually; a constitutional provision for holding a regular vote on whether to open elections meets this requirement. Voting in elections and votes to open elections cannot be limited to a smaller number of members than the number of members who would be able to vote on normal organizational business. Elections of a single slate of officers are allowed, so long as

the proposed slate of officers is confirmed by a vote of the members eligible to vote.

5. Student leaders, including the President, must be currently enrolled KSU students and may not continue serving in their role after graduation or separation from the University. RSOs must ensure leadership transitions occur prior to officer departure in accordance with established transition requirements. Advisors may continue in their role as designated by the University but may not assume operational control or decision-making authority for the organization.
6. RSOs are responsible for maintaining organizational continuity through a structured transition process, particularly when current officers are nearing graduation. This process must include, at minimum: the timely election of new officers; completion of all required trainings by incoming officers; submission of re-registration materials prior to established deadlines; transfer of access to all organizational records and files; and the appropriate removal and addition of authorized individuals on any off-campus bank accounts. RSOs must also communicate their current transition status to their advisor. All officers and advisors are expected to monitor their KSU email at least once per week, as Student Activities will distribute important communications regarding re-registration, policy updates, and upcoming RSO-related information.

D. Advisors:

All RSOs must have at least one (1) full-time KSU faculty or staff member who will serve as the organization's on-campus advisor. If an organization completes the RSO registration process with the Department of Student Activities, its advisor must adhere to all policies, procedures, and protocols outlined in this manual. Failure or unwillingness to comply with these policies and protocols may result in the advisor being deemed non-compliant and subject to removal by either the student organization or the Department of Student Activities.

Advisors are expected to provide guidance, support, and continuity to the organization while empowering student members to lead. Advisors should ensure that students feel equipped to manage and operate the organization independently, as RSOs are student-run entities. Final

decision-making authority regarding organizational operations, programs, and services rests with the student members and elected officers of the organization. Advisors may not make executive decisions for the organization or dictate organizational programs or services.

The Advisor's KSU email address must be provided to KSU as part of the student organization's RSO registration application. In addition to the KSU advisor, organizations may have a maximum of two (2) off-campus advisors who are not affiliated with KSU; these individuals must be registered as long-term guests. Off-campus advisors may offer guidance but may not make executive decisions for the organization or dictate organizational programs or services.

It is the RSO's responsibility to identify and secure a KSU faculty or staff member to serve as their advisor. More information on advisors can be found in Chapter 2, Article VII.

- E. Organization Constitution: All RSOs must have a constitution that is approved by KSU's Department of Student Activities. For Fraternity and Sorority life organization constitution requirements and approval will be handled by the Department of Fraternity and Sorority Life. First-year RSOs will have their Constitution approved as part of the initial registration process; RSOs who make subsequent changes to their Constitution must submit them to the Department of Student Activities for approval.

Advisors play an important role in supporting the development and maintenance of the organization's constitution. It is the responsibility of the advisor to provide guidance to ensure the constitution is clearly written, properly formatted, and promotes a fair and democratic approach to organizational governance, including transparent processes for membership, leadership, and decision-making. While advisors may provide feedback and recommendations, the constitution must ultimately be developed and approved by the student members of the organization.

Approval or denial of an RSO's constitution will not be based on the mission, goals, or beliefs of the RSO or any other content- or viewpoint-based determination but rather will only be based on the RSO including

the information below in the constitution. If an RSO's constitution is denied for failing to include one (1) or more of the following pieces of information, the RSO will be notified in writing of the specific reason for the denial:

1. Name of the RSO (RSO names may include "KSU," "Kennesaw State," or "Kennesaw State University," but only as "[Organization Name] at KSU"; Listing the name as "KSU [Organization Name]" or "[Organization Name] of KSU" is not allowed);
2. Purpose/Mission Statement;
3. The following KSU Affiliation Clause:
 - a. This organization is a Registered Student Organization (RSO) at Kennesaw State University but is not part of the University itself.
 - b. In all correspondence and publications, it may refer to itself as an organization at Kennesaw State University, but not as part of Kennesaw State University itself.
 - c. [Name of RSO] accepts full financial and production responsibility for all activities it sponsors.
 - d. [Name of RSO] agrees to abide by all pertinent Kennesaw State University policies and regulations, including the most current RSO Manual and Student Codes of Conduct. Where Kennesaw State University policies and regulations and those of RSO differ, the policies and regulations of Kennesaw State University will take precedence.
 - e. [Name of RSO] recognizes and understands that the University assumes no legal liability for the actions of the organization.
4. Identification of any affiliations with local, regional, national, or international entities or organizations;
5. Membership Eligibility and Requirements (including a membership removal process); Please note that KSU RSOs are prohibited from barring nonmembers to join an organization. However, specific requirements for membership are permitted (example, honors societies).
6. Officers and Officer Responsibilities (including an officer removal and succession process);
7. Elections Process and Information;
8. Advisor Responsibilities;
9. Process for Amendments to the Constitution; and,
10. The following KSU RSO Non-Discrimination Policy:

- a. "Kennesaw State University student organizations' 'Non-Discrimination Policy': Membership and all privileges, including voting and officer positions, must be extended to all students without regard to race, color, sex, sexual orientation, gender identity, gender expression, ethnicity or national origin, religion, age, genetic information, disability, or veteran status. Membership and all privileges, including voting and officer positions, must be extended to all students as stated in the Kennesaw State University Non-Discrimination Statement. Title VI of the Civil Rights Act of 1964 protects people from discrimination based on race, color or national origin in programs or activities that receive Federal financial assistance. Title IX of the Education Amendments Act of 1972 states that: No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."
- i. Exceptions to including the KSU RSO Non-Discrimination Policy include:
1. Faith-Based and Spiritual student organizations will not be denied registration solely because they limit leadership positions to students who share the same religious beliefs.
 2. Honor Societies will not be denied registration solely because they limit membership to students who are initiated members that meet all academic criteria. Honor societies that choose to limit membership to students who meet the academic criteria and do not provide a general membership option will not receive access to state or student fee funds as outlined in the SABAC Protocol Manual.
 3. Any group that is formally affiliated with a national entity that has Title IX exemption status based on sex may be restricted based on sex alone. Organizations that have Title IX exemption status and limit membership based on sex alone will not receive access to state or student fee funds as outlined in the SABAC Protocol Manual (see Chapter 3).

- b. The only Constitution that will be recognized is the one posted on the RSO's Owl Life page in the "Documents" section. In addition to the Constitution, some RSOs may elect to include by-laws, protocol manuals, membership agreements, or other documents that govern the operations of the RSO. KSU's Department of Student Activities does not routinely review those additional documents but will do so if requested. KSU's Department of Student Activities may review any such document and take action if the document violates any applicable law or Board of Regents' or KSU policy or procedure; any action by KSU's Department of Student Activities will not be based on the mission, goals, viewpoints, or beliefs of the RSO, but rather will be based on the violation of the applicable law or policy. If KSU's Department of Student Activities reviews any document and decides to take action, the Department will notify the RSO in writing of the specific law or Board of Regents' or KSU policy or procedure that the document violates and the reason for the violation.

- F. Profile Picture (Optional): During the registration phase, groups may submit an image for their organization that will be displayed on their Owl Life page; pictures that contain any KSU trademarks are subject to approval by the University (see Chapter 4, Article IV.B);
- G. Online Registration Process: Student organizations shall submit all required information and materials to KSU's Department of Student Activities on Owl Life. Under the "Organizations" tab, you will see a button to "Register an organization" on the left-hand side of the window below "Categories," which will walk organizations through uploading all of required information and documents. The online registration form must be submitted by a student and not an Advisor;
- H. Contact from KSU Department of Student Activities: Within fourteen (14) business days of the student organization submitting all required information and materials, a member of KSU's Department of Student Activities will acknowledge that the registration form has been received. KSU's Department of Student Activities will advise the student organization registration submitter whether there are issues with the submission or whether the RSO registration has been completed. Note

that the registration form in Owl Life will be approved once all components of the registration process are completed (except for Initial RSO Registration; see below for more information);

- I. Officer Training: The President, Reservation Delegate, and Treasurer must complete the applicable online officer training module(s) found at campustraining.kennesaw.edu under "Student Affairs". This training will include training for making reservations for on-campus events.
- J. Advisor Terms & Conditions: The On-Campus Advisor(s) must complete the applicable Advisor Terms & Conditions that cover applicable University policy

For Initial RSO Registrations Only:

Initial RSO Registration should be submitted only by student organizations that have not previously existed. Previously existing organizations must follow the instructions for restarting an inactive RSO. Newly approved RSOs will receive information from KSU's Department of Student Activities about the "Getting Started" meeting that must be scheduled between the student organization's President and Advisor and a member of KSU's Department of Student Activities. Other officers are encouraged to attend, but their attendance is not required. During the meeting, the organization's registration materials, including the constitution, are reviewed and organizations are advised about the rights and responsibilities of being an RSO at KSU. Upon completion of the "Getting Started" meeting with Student Activities staff, the RSO will become an official privileged RSO.

Once the student organization becomes an official privileged RSO, the organization will be listed as an RSO. It should receive access to the KSU Reservations website and other systems within three (3) to five (5) business days. Once registered, the RSO will be bound by all applicable policies for all RSOs.

Initial RSO registration may only be completed during the first six (6) weeks of each semester. RSOs that complete the Initial Registration between September and February are required to complete the Re-Registration process for the following school year in addition. All RSOs are required to renew their registration on an annual basis; the registration renewal period generally opens in March of each year and closes in May (specific dates are determined annually by KSU's

Department of Student Activities). The only step that does not have to be completed on an annual basis is the "Getting Started" Meeting; this meeting is only required for initial RSO registrations.

IV. Late Re-Registration Process

RSOs that fail to complete all requirements of the re-registration process by the deadline advertised by the Department of Student Activities will be placed in a "frozen" status. While frozen, these organizations will lose all privileges awarded to active RSOs. The frozen organization will have a second opportunity to complete the requirements for renewal during the late re-registration process.

Please note that RSOs that complete their registration in the Spring will have the privilege of participating in the Extreme Involvement Fair for the following Fall. RSOs that do not complete the registration in this period will lose RSO Privileges such as reservations over the summer semester and will have an opportunity to complete late re-registration process.

A late re-registration process will open over the summer semester at the discretion of the Department of Student Activities.

Student organizations that fail to complete all requirements of the late re-registration process will be de-activated for the remainder of the academic year. If the organization wishes to reactivate, it must follow the instructions for restarting an inactive RSO (see Chapter 2, Article V).

V. Restarting an Inactive RSO

RSOs that do not annually renew their registration will be marked as inactive. RSOs that have been inactive for less than two (2) academic years may regain active status by submitting a Re-Registration form.

RSOs that have been inactive for two (2) academic years or more must complete the full RSO registration process and will be held to the same requirements, timelines, and expectations as newly registered organizations. Registration may only be completed during the first six (6) weeks of each academic semester

Students interested in restarting an RSO that has been inactive for two (2) academic years or more should contact KSU's Department of Student Activities at studentactivities@kennesaw.edu to begin the process and determine whether any historical documents are available. Any previously submitted documents will be provided for reference purposes only, if accessible, and organizations may choose to create new governing documents.

Once the registration process is completed, the RSO's information will be restored within its existing Owl Life page rather than creating a new page.

VI. Denial or Revocation of Registration as an RSO

KSU will refuse to register an RSO (either upon the RSO's initial registration or the renewal registration) or deny or revoke a student organization's RSO designation at any time if KSU determines that the student organization:

- A. Seeks to accomplish its objectives, goals, purposes, or activities through the use or promotion of violence;
- B. Engages in activities that materially or substantially interfere with the discipline and normal activities of KSU or with the rights of others, including activities that present a danger to property, individuals, or the orderly functioning of the University;
- C. Seeks personal gain;
- D. Falsifies or forges an official University record or document;
- E. Refuses to comply with federal or state laws, Board of Regents' policy, and KSU policies and procedures, including KSU's Code of Conduct, or states an intention to do so;
- F. Fails to provide all necessary registration information to KSU; or,
- G. Fails to meet financial obligations to the University.

If KSU denies or revokes an RSO's registration or designation, the student organization may appeal the decision in writing to KSU's Executive Director of Student Activities within five (5) business days of notification of the decision, unless the denial or revocation was initiated under KSU's Code of Conduct, in which case appeals are handled in accordance with KSU's Code of Conduct. Appeals of decisions by the Executive Director of Student Activities may be further appealed to the Dean of Students in writing via email to deanofstudents@kennesaw.edu within five (5) business days of the notification of the decision of the Executive Director of Student Activities. Further appeals of decisions by the, Executive Director of Student Activities may be further appealed to the Dean of Students in writing via email to deanofstudents@kennesaw.edu within five (5) business days of the notification of the decision of the Dean of Students. The decision of the Dean of Students is final, and no further appeal is available.

VII. RSO Advisors

- A. On-Campus Advisors: All RSOs must have at least one full-time KSU faculty or staff member who will serve as the organization's on-campus

advisor but will not make executive decisions for the organization or dictate organizational programs or services and whose KSU email address must be provided to KSU as part of the student organization's RSO registration application. On-Campus Advisors for RSOs are required to accept the "Advisor Terms & Conditions." The terms and conditions outline expectations for compliance with university policy and identifies the advisor as a responsible party to ensure compliance for members of the organization(s) for which they are affiliated. The terms and conditions must be accepted during the annual renewal process or during the new organization registration process. Information related to training, forms, and Advisor Terms & Conditions can be found at the RSO website under the "Current Advisors" section. RSOs may change their on-campus advisor at any point.

1. Leave of Absence – If an advisor plans to be out for 60 days or longer, an additional advisor needs to be added to your Owl Life Roster. See change of Advisor form found in Student Activities Owl Life Page.

B. Off-Campus Advisors: RSOs have the right to identify two (2) Off-Campus Advisors who have no affiliation to Kennesaw State University in addition to the KSU faculty/staff On-Campus Advisor(s) to the organization. These advisor(s) may be identified by the group or appointed by an external entity if the RSO has a formal affiliation with said entity outlined in their constitution. Both Off-Campus Advisors must be identified during the annual renewal process, the initial RSO registration process, or through an Officer/Advisor Update Form in order to register with the Department of Student Activities. Both Off-Campus Advisors must also become a Registered Visitor with Kennesaw State University through the conduct of a background check with Human Resources; the Department of Student Activities will initiate this process. RSOs may be responsible for the costs associated with conducting a background check and being a Registered Visitor. Off-Campus Advisors must register with the Department of Student Activities and become a Registered Visitor on an annual basis, although the background check with Human Resources may not need to be conducted annually; Human Resources will determine whether a background check must be performed. One off-campus advisor can be sponsored by the Department of Student Activities per academic year. Any additional background checks may need to be paid for by the RSO.

- C. *Fiscal Responsibility*: Advisors may advise organizations concerning management of their financial resources but are not permitted to personally handle RSO funds or assume signature authority over organization off-campus bank accounts. More information about the role of Advisors as it relates to off-campus bank accounts can be found in Chapter 5, Article IV.B.2 below.
- D. *Policy and Protocol Compliance*: All advisors must be fully compliant with any required policies and protocols related to the activities of the organization. For example, if driving a vehicle is involved, the party responsible must complete the necessary defensive driving course. Advisors must know and comply with all required laws, such as the Clery Act, Title IX, and FERPA, which require reporting certain information to University officials. No advisors have confidentiality exemptions, and all are mandatory reporters – even if an Advisor is a counselor or faith leader off campus, those exemptions only apply when the individual is employed by the University to serve in that specific role and only when serving in that role, not while advising RSOs.
- E. *Advisor Best Practices*: Advisors do not manage the day-to-day operations of RSOs, advisors are encouraged to:
1. Maintain regular communication with organizational leadership.
 2. Provide guidance regarding university policies, procedures, and available campus resources.
 3. Assist officers in understanding organizational responsibilities and risk management considerations.
 4. Support leadership development and organization continuity through officer transitions.
 5. Encourage compliance with applicable University policies, federal and state laws and organizational governing documents.
 6. Serve as a resource when organizations are planning events, programs, travel, fundraising activities, or organizational initiatives.
 7. Attend meetings, programs, or events when feasible and appropriate.
 8. The role of an advisor is to guide and support student leaders while preserving the student-led nature of RSOs.

Chapter 3: Funding Requests Processes and Procedures

Registered Student Organizations requesting financial support from KSU are required to complete and submit a Budget Request form to the Student Activities Budget Advisory Committee ("SABAC"). All decisions made by SABAC are advisory recommendations to KSU's Vice President for Student Affairs ("VPSA"). SABAC and the VPSA are both bound by the funding decision-making criteria and process as set forth in the SABAC Protocol Manual.

Please note that the Department of Student Activities and the Student Activities Budget Advisory Committee are separate entities on campus. Full information about the SABAC funding process, decision-making criteria, deadlines, and appeal process can be found in the SABAC Protocol Manual on the [SABAC website: campus.kennesaw.edu/current-students/student-affairs/student-activities-budget-advisory-committee/index.php](https://campus.kennesaw.edu/current-students/student-affairs/student-activities-budget-advisory-committee/index.php).

I. First-Year RSOs

KSU will allocate a minimum starter amount of one hundred dollars (\$100.00) to each RSO for its first year of operations when the RSO submits a request for the starter kit amount using the "New RSO Starter Kit Request Form" in Owl Life. A first year RSO may obtain additional funding beyond the starter kit amount by submitting requests for either an Annual Budget or Supplemental Funding using the processes and complying with the deadlines set forth in the SABAC Protocol Manual on the [SABAC website](https://campus.kennesaw.edu/current-students/student-affairs/student-activities-budget-advisory-committee/index.php).

II. Annual Budget Requests by RSOs

Any RSO that seeks an Annual Budget from SABAC must provide the following information to SABAC concurrently with its Annual Budget request by 12:00 P.M. on the last Friday in March each year. Complete information about Annual Budgets can be found at [Annual Budget Request](#).

III. Supplemental Funding Requests by RSOs

An RSO that would like to request funding for a specific event or activity after the Annual Budget deadline must submit a Supplemental Funding Request. Full information about Supplemental Funding Requests can be found at [Supplemental Funding Request Website](#).

Chapter 4: Additional Policies Affecting RSOs

Policies and regulations of Kennesaw State University take precedence over all operating procedures and guidelines. All University-wide policies can be found on the Policy Portal (<https://policy.kennesaw.edu/>), and departmental policies can be found on respective departmental websites. In cases where University-wide policy and other information on websites or in practice (such as departmental policies) differ, the policies and regulations of Kennesaw State University will take precedence. Some policies that are applicable to RSOs are outlined here in the RSO Manual.

I. RSO Events and Reservations

- A. *RSO Reservations:* All RSOS may request space for meetings and events on campus through KSU's Reservation Portal at reservations.kennesaw.edu. Please note that not all campus spaces are available for reservation by student groups (e.g. Jolley Lodge).

Certain facilities require additional review and approval before a reservation can be confirmed. Information regarding access to the KSU Reservation Portal, reservable spaces, and applicable policies and procedures can be found in the [Space Usage Prioritization Procedure](#), the online training available at campustraining.kennesaw.edu, and on the [Department of Student Activities website](#).

Due to temporary space reallocations and relocations associated with the 2026-2027 academic year student center renovation, space availability may be adjusted. In addition, access to certain peak-demand flex spaces may be managed using timelines and prioritization processes like the University's add/drop period procedures.

A list of spaces requiring additional approval is provided below.

Spaces you may incur cost

Spaces needing additional approval:

- ARC Amphitheater (2-week minimum notice needed for approval)
- Convocation Center
- Event Center
- Marietta Soccer Field
- Recreational Facilities (Perch) (Rec Center with /and Fundraiser events)
- Parking Lots
- Various Auditoriums and Theaters (Dance Theater - needs at least 2 months for RSO reservation approvals)

- Indoor Plaza
- Kennesaw Hall
- KSU Center

Spaces approved for food:

- Ballrooms- Wilson Student Center
- Room 1090- Clendenin Building
- Indoor Plaza- Prilliman
- Conference/Seminar Meeting Rooms (Both Campuses)
- Legacy Gazebo- Kennesaw

Outdoor spaces

- Include 6ft tables in lobby/entry to alternative spaces(classrooms etc. that did not permit food previously) as substitute solution and booking needs. All debris and food trash will still be subject to building services

Please note that spaces that accommodate 150 or more people are limited to one gathering space per week per RSO except for Saturdays and Sundays. Subject to approval of Student Activities staff.

B. KSU Reservations: KSU Reservations is the interface that RSOs use to reserve space on campus. Access to the KSU Reservations portal and the ability to reserve space on behalf of an RSO is only provided to three (3) positions within an RSO: the President, the Reservation Delegate, and the Advisor. Your RSO must receive a written reservation confirmation from the Department of Student Activities in order to use space on campus. Access is only granted to fully registered RSOs in good standing with Student Activities and after the individuals in those positions meet the following qualifications:

- For Presidents and Reservations Delegates: Individuals must (1) have completed the required online training, and (2) be listed in the position on the roster in Owl Life.
- For Advisors: Individuals must (1) be listed in the position on the roster in Owl Life, and (2) have accepted the Advisor Terms and Conditions on Owl Life.

C. KSU Reservation Communication:

When submitting a space reservation request, RSOs will receive two distinct types of communication. Understanding the difference and responding promptly is essential to processing or confirming your reservation.

Acknowledgement Notice

An acknowledgement notice states that your reservation request has been successfully received and assigned an event coordinator. This notice is just a receipt of submission and indicates that your request is under review. It does not guarantee approval or access to space.

- Purpose: Verifies receipt of request/submission
- Status: Pending review/tentative
- Action Required: You must respond to the notice of the acknowledgement within 48 hours to confirm your intent to proceed with required information requested.
- Failure to respond: If no response is received within 48 hours, your reservation request will be cancelled, and the space will be released.

Reservations Confirmation (Approved)

A reservation confirmation notice is sent once an event coordinator has reviewed your request, worked through the necessary logistical details, and officially approved the reservation. This notice confirms that the space is secured for your use and includes all relevant information such as date, time, setup needs (e.g., tables, chairs), and any other items confirmed in coordination with the reservation team.

- Purpose: Confirms approval and assignment
- Status: Approved and Reserved
- Action Required: Proceed with planning and adhere to usage guidelines as outlined in the confirmation.

D. KSU Reservation System:

- In the current KSU reservation system, reservations that require door access by a KSU ID will need to have either the president or reservation delegate present to gain access into your reserved space. In unique circumstances, you can email your event coordinator with 72 hours' notice that an additional contact will need to be added to gain access to that specific locked space.

<mailto:studentactivities@kennesaw.edu>

KSU Reservations Request Options: There are two (2) ways to submit an event reservation request:

a. Express Scheduling

Express Scheduling is only for select, pre-determined locations that do not require any setup, audio/visual, parking, catering or

additional support from any other campus entity. These meeting rooms can be reserved 24-48 hours in advance. RSOs that submit this request will receive an automatic confirmation titled, "Express Scheduled Confirmation." These templates do not require processing from the Department of Student Activities.

b. Event Form

The Event Form can be used to request any classroom or event space available for use by RSO's. The Event Form can be accessed from the gold menu bar or via the "Create an Event" widget. Large scale events, fundraisers, and information tables for fundraising should be submitted using this form. Reservation requests must be submitted at least fourteen (14) days prior to the requested date and can be scheduled up to 365 days in advance.

Requests for a simple information table to pass out materials (not including food/fundraising) can be made forty-eight (48) hours in advance of the request. To submit a request, select "Information Table" as the event type in the Event Form and follow the instructions.

If your RSO would like to reserve a space that is not reflected in these two (2) options or outside of regular building hours, please contact the Department of Student Activities at studentactivities@kennesaw.edu at least sixty (60) days in advance of the event/activity.

E. Reservation Approval: For reservation requests that require processing by the Department of Student Activities, students will receive acknowledgement of their reservation requests within fourteen (14) business days of submission. RSOs must obtain a written reservation confirmation following acknowledgment from Student Activities to utilize space on campus. RSO reservation requests will only be denied for one (1) of the following reasons:

- The organization is no longer in good standing with Student Activities;
- The reservation request is not fully completed or additional necessary information is not provided by the requestor;
- The reservation requests contain a material falsehood or misrepresentation;
- The area requested has previously been reserved;
- The reservation request or subsequent information needed to confirm the

- reservation was not timely submitted;
- The deadlines associated with various components of the reservation request (e.g. contracts, catering, etc.) were not met;
- The use or activity intended by the requestor would conflict with or disturb previously planned programs organized and conducted by the University;
- The area requested is not large enough to accommodate the expected or actual number of people expected to attend the event;
- The use or activity intended by the requestor would present a danger to the health or safety of the applicant, other members of the KSU community, or the public;
- The use or activity intended by the requestor is prohibited by law, Board of Regents' Policy, KSU Policy, or any applicable departmental policies;
- The RSO seeks to reserve an area on campus that is not available for reservation.
- The RSO seeks to reserve an area on campus that does not align with the organization's budget for the event.
- The requested activity falls within the definition of "expressive activity" as outlined in the Freedom of Expression Policy and should therefore be requested using the Public Forum Reservation Request Form.
- The requestor submitted the incorrect reservation template
- The request includes fundraising activities involving the sale of clothing, which are not permitted.

Student Activities reserves the right to modify, reclassify, or deny any reservation to address health and safety concerns or when event details are found to be inaccurate, incomplete, or misrepresented at the time of submission

F. Reservation Confirmation: RSOs who submit event space reservations through the KSU Reservations portal (reservations.kennesaw.edu) must receive the confirmation email in order to officially reserve space for an event on campus. RSOs must receive a written reservation confirmation in order to use space on campus. RSOs who do not receive an event confirmation email are not permitted to use space they have requested.

- The times reserved on an RSO Reservation are set and can be impacted if the space is not vacated according to their confirmation. Overstaying your confirmation can result in reservation violation.

G. General Reservation Policies and Procedures: Please remember that you must adhere to KSU's Campus policies and procedures whenever you utilize a space on campus. The space must be secured, left clean, and returned to the original configuration. Other items of concern to remember are:

- Please refrain from hanging, stapling, or taping any items on surfaces to prevent damage. No food or drinks are allowed in academic spaces or auditoriums.
- Always turn off all equipment and lights, return the facility to its original configuration, and shut the door before leaving to secure the space.
- The sponsoring organization is responsible for securing all dates, times, and performers for an event, in addition to event control and the non-technical support delivery, set-up, break-down and removal of equipment. The sponsoring organization is also responsible for any financial costs associated with rental equipment, fees, and use of spaces.
- RSOs may not transfer, "sublease," or otherwise allow their reservations, events, or associated privileges to be used by another RSO, department, external organization, or individual. University departments or academic units may not "front" as an RSO to gain access to RSO-only privileges, space, or resources.
- Prohibited practices include, but are not limited to:
 - Reserving space on behalf of another RSO that is ineligible to reserve space
 - Allowing an external organization or non-registered group to operate under an RSO's reservation
 - Misrepresenting event sponsorship, ownership, or responsibility
 - Collaborations where the RSO is not the primary organizer or does not maintain active oversight and accountability.

Violations may result in loss of reservation privileges, cancellation of events, and/or referral through the student conduct process.

- RSO cannot move information table or event locations without confirming with assigned event coordinator to see if location is available for relocation. If permission is not given, RSO will be expected to stay at its original location.

H. Recreation Centers Reservation

- The Betty L. Siegel Recreation Center on the Kennesaw Campus and the Recreation and Wellness Center on the Marietta campus have various spaces that are requestable for RSOs. Requestable spaces within each building are:

- Betty L. Siegel Recreation Center on the Kennesaw Campus

- Activity Room 1090
- Activity Room 2090
- 4-court Gymnasium
- Outdoor Basketball Court
- Mac Gym
- Tennis Courts
- Indoor Pool Lanes
- Outdoor Pool
- Sand Volleyball Courts
- Racquetball Courts

- Recreation and Wellness Center on the Marietta campus

- 2-court Gymnasium
- Racquetball Court

** please note that you are requesting these spaces and upon internal approvals, will mature into a reservation if available.

- Space specific rules can be found here:

<https://www.kennesaw.edu/student-affairs/wellbeing/sportsrec/facilities/rules-and-guidelines.php>

- RSOs can start the initial reservation process outlined in Chapter 4: Additional Policies Affecting RSOs. Approval for events will have secondary approval from a Sports and Recreation staff member. Please plan event requests in a timely manner to plan accordingly.
- RSOs can reserve space for free. However, if an RSO is using the event space for any philanthropy or fundraising, they will be charged 50% of the internal rate. If a quote is needed, quotes will need to be signed and approved by the RSO before event space is formally approved.
- Facility rates can be found here: <https://www.kennesaw.edu/student-affairs/wellbeing/sportsrec/facilities/facility-reservations.php>
- RSOs may be held responsible for damage or debris as a result of the organization's use of space within the recreation centers, and follow guidelines outlined in Chapter 4: Additional Policies Affecting RSOs. If damages accrue charges, payment needs to be made within 30 days.
- A few specialty policies to remember when utilizing these spaces include, but are not limited to are:

- All event participants must have a current recreation facility membership and a waiver on file to enter and recreate within the recreation centers.
- If a participant does not have a facility membership or is an online student who has not opted in for a membership, they can obtain a \$10 Day Guest Pass from a sponsoring member.
- Members are allowed to bring up to two (2) guests per visit, at the \$10/pass rate.
- Guests must be at least 18 years old and present a valid picture ID to purchase a Guest Day Pass.
- All guests must be accompanied by a recreation center member at all times, and they will need to sign a waiver/release form for entry.
- Food is not permitted within the Recreation Centers, unless there is prior approval.
- For more information on Sports and Recreation spaces, please visit: <https://www.kennesaw.edu/student-affairs/wellbeing/sportsrec/index.php>

I. Kennesaw State University Student Centers

The Carmichael Student Center on the Kennesaw Campus and the Joe Mack Wilson Student Center on the Marietta Campus have various spaces reservable for RSOs. **All Carmichael Student Center spaces on the Kennesaw Campus that are typically available for RSO reservations will be taken offline for the 2026–2027 academic year due to planned renovations.**

- Reservable spaces within each building are:
 - Joe Mack Wilson Student Center on the Marietta campus
 - Atrium
 - 100 Entry Way
 - 101 Information Table 1&2
 - Dogwood
 - First Floor Lobby
 - Second Floor Lobby
 - 200 Information Tables I&J
 - Ballroom Combo
 - Ballroom A or B
 - 204 Conference Room
 - 213 Conference Room
 - 214, 215, 216 Meeting Rooms
 - Game Room

- RSOs should follow the policy guidelines set by the RSO Manual for reserving spaces within these facilities.
- RSOs who hold a cancelled reservation and still use the space in questions may be held accountable to a reservation violation.
- RSOs can reserve spaces for free, along with requesting extended hours for the building of their choice for their specific event.
- RSOs may be held responsible for damage or debris because of the organization's use of space within the Student Centers, and follow guidelines outlined in the RSO Manual on page 17, section F, subsection 1. If damages accrue charges, payment needs to be made within 30 days after invoicing.
- A few specialty policies to remember when utilizing these spaces include, but are not limited to are:
- Common space furniture is not permitted for use for an RSO event unless requested in advance through the RSO's event coordinator. If furniture is taken without permission, Student Center Operations will remove items being used and contact event coordinator to discuss further action later.
- Last-minute setup requests will not be permitted on the day/time of the event. This is to ensure that event resources are not double booked and making sure that Student Center Operations staff can continue their responsibilities without hinderance.
- RSO event flyers need to be taken to the Information Desk at each Student Center to be inspected and approved before being placed on the bulletin boards around the buildings. Student Center Operations will place flyers on the bulletin boards after approved. If flyers are discovered to be taped or hung outside of those locations Student Center Ops will remove flyers from those areas.
- RSO banners will need to follow the same policy as mentioned above for flyers with the exception that the banners will not be hung at the bulletin board locations.
- RSOs may only have service animals, as defined by applicable law, present at events in the Carmichael and Wilson Student Centers. Emotional support for animals, therapy animals, and pets are not permitted. Service animals must always remain under the control of their handler.

J. Donation Boxes for RSOs:

RSOs seeking to utilize donation boxes must submit and receive approval through the appropriate OwlLife form prior to collection activities. Approved

requests will include designated donation box locations, approved collection timelines, and clear expectations for distribution or disposal of collected items.

RSOs are responsible for monitoring donation boxes during the approved period and ensuring timely removal, distribution, or proper disposal of all collected items in accordance with the approved plan. Donation boxes may not be placed or used outside of the approved locations or timeframes.

Failure to adhere to the approved process, including timely removal or accurate representation of the donation activity, may result in removal of the donation boxes and impact future reservation or fundraising privileges. Student Activities reserves the right to modify, reclassify, or deny donation box requests based on health and safety considerations or inaccurate or incomplete submission details.

K. *Cancellation Policy:* If an RSO that has reserved space on campus needs to cancel or make changes to their reservation, the RSO must:

- Fill out the “Reservation or Cancellation Change Request” form found at studentactivities.kennesaw.edu under “Forms and Resources” for reservations confirmed using the Internal Event Request Form; or
- Cancel the reservation in the KSU Reservations portal for reservations that are autoconfirmed using the RSO Express Scheduling form or 48hr Information Table under the Event forms.

Changes submitted within three (3) business days of an event may not be approved. If a student needs to cancel an event within three (3) business days of an event for a legitimate reason, please get in touch with the Department of Student Activities at studentactivities@kennesaw.edu. If the change to the reservation is approved, the original requestor for the reservation will receive a newly revised event confirmation. Groups that repeatedly reserve space and fail to utilize the space they have reserved are subject to sanctions from the Department of Student Activities up to and including cancellation of confirmed reservations and revocation of reservation privileges.

1. **Administrative Cancellations/Changes:** In rare instances, confirmed reservations may be changed or canceled if they are found to conflict with another function or academic need. Student Activities staff will work with the organization to provide alternative accommodation whenever possible.

2. University Closure Cancellations: When the campus is closed due to inclement weather or another emergency, your event will automatically be canceled. Due to the high demand for space, rain locations will not be available for events booked outdoors except for Presidential Events. In the case of inclement weather, any changes to outdoor reservations must be made at least 72 hours in advance. The University will announce campus closures and delayed schedules in several ways. Closure announcements will be made by a notice on the university home page.

L. Inclement Weather Programming

To ensure the safety of participants, staff, and campus community members, RSO programming may be suspended, canceled, or modified due to inclement weather or hazardous conditions. Inclement weather includes, but is not limited to, severe storms, lightning, high winds, extreme temperatures, or other conditions deemed unsafe by the University.

For outdoor events, RSOs are responsible for monitoring weather conditions and making timely decisions regarding cancellation or modification. Unless otherwise noted, events will proceed as scheduled until the University issues an official closure or directive.

If the University closes campus or issues a delay due to inclement weather, all scheduled events will be automatically canceled.

- Due to limited space availability, rain locations are not guaranteed for outdoor events unless previously approved.
- Any requested changes to reservations due to anticipated inclement weather must be submitted in accordance with standard change request timelines. Last-minute requests may not be accommodated.

The University will communicate closures, delays, and emergency notifications through official channels, including the university homepage and campus alerts. RSOs are expected to adhere to all University directives regarding weather-related safety.

M. Damages, Debris, or Excessive Trash: RSOs may be held responsible for damage or debris that is the result of the organization's use of a space, except that damage or debris that was caused by counter-protestors or individuals not affiliated with or invited by the RSO. If an RSO discovers

damage to furniture or equipment, or a notable level of trash or debris upon accessing their reserved space, the RSO must immediately notify facility personnel and Student Activities reservation staff at studentactivities@kennesaw.edu. Failure to report such conditions may result in the RSO being held responsible for the damage or cleanup and may impact future reservation privileges.

- N. Responsibility for Individuals Granted Access: For spaces on campus that require a full-time employee to provide access, the employee who provides access will be responsible for the conduct of the students and guests in that space to whom access was provided, regardless of whether they are present for the duration of the event or not.
- O. Showing Films and Other Media: This policy is intended for RSOs wishing to publicly show ANY film or movie (outside the home/residence hall room and to more than just family and friends). The Federal Copyright Act (Title 17 of the United States Code) governs how copyrighted material may be used. A public performance license must be issued when showing a film/movie on campus. You will need to be able to provide proof that you have obtained the "rights" or, rather, permission to show the material before an event or reservation is confirmed. RSOs may choose to show films for free or charge for admission. However, the cost of obtaining a license to show a film where patrons will be charged is more expensive than a free screening. Organizations may not use videos rented from local distributors, personally owned items, or online streaming services (e.g. Netflix) to show videos to mass audiences. This is a violation of the law. Anyone affiliated with KSU needs to do the following to secure licensing rights: <https://www.swank.com/> - Search movie of interest, Email our Swank Motion Pictures, Inc. Representative: mpierson@swankmp.com. Please contact the Department of Student Activities with any questions.
- P. Amplified Sound: Sound may only be amplified in areas that allow amplified sound. All classrooms have built-in AV equipment, which can be used as long as the volume does not disturb the surrounding academic classrooms. Indoor amplified sound is overseen by each respective building. The use of amplified sound outdoors is governed by the Outdoor Amplified Sound Policy.
- The Carmichael and Wilson Student Centers allow amplified sound, both built-in systems and additional PA systems, in all locations in the building.

- Q. Alcohol: Alcohol is prohibited at RSO on-campus events.
- R. Liability Waivers: The Department of Student Activities recognizes that many activities in which students participate carry some risk of accidental injury. However, for the purpose of applying these policies, such activities are defined as those that carry a recognized risk of accidental injury. It is also recognized that the potential for such injury is substantially reduced upon the implementation of policies and procedures that ensure that reasonable due care is observed pursuant to safety and participation in such activities. It is for this reason that RSOs that host events on campus with a recognized risk of accidental injury may be required to have participants submit a signed Waiver and Release form and/or the Recreation Center(s) Waiver before participating in activities hosted by the RSO. Proof of insurance sufficient to cover injuries may also be requested. These forms can be obtained from the Department of Student Activities website under the "Forms & Resources" section. Completed forms must be turned in to the Student Activities Office within one (1) week of the conclusion of the event. Copies of these waivers will be kept on file for three years.
- S. Event Security or Medical Assistance: Per the KSU Security Policy, some on-campus events hosted by RSOs may be required to provide additional security or medical assistance depending on the type, nature, attendance, and logistics of the event specifically for events where the anticipated attendance is 250 or greater not including any individuals who may gather to protest the event.
The staff will initiate contact with RSOs to evaluate whether Public Safety mandates security measures for a specific RSO event or activity. Following the assessment, the staff will collaborate with RSOs to ensure these requirements are implemented in the planning and execution of the event. Please make your reservation as accurate as possible for a projected number count so that Student Activities can provide the proper support needed for your event. Failure to do so may result in a cancelled reservation.
- T. Programs with Minors: RSOs that intend to host events or activities where minors (individuals under the age of 18 who are not enrolled as KSU students) will be present must comply with the Board of Regents (BOR) and Kennesaw State University Programs Serving Minors policies. These policies apply to all programs, including but not limited to camps, clinics, competitions, mentoring programs, and other organized activities involving minors. (<https://www.kennesaw.edu/protecting-minors/index.php>)

KSU is committed to providing a safe and healthy environment for minors participating in programs held on university property or sponsored by the institution. As such, RSOs should be aware that hosting programs involving minors may require additional planning, approvals, and compliance measures to ensure the safety and wellbeing of participants.

(<https://www.kennesaw.edu/protecting-minors/index.php>)

Depending on the nature of the event, RSOs may be required to complete a formal program registration through the university's Programs Serving Minors process. This may include, but is not limited to:

- Registering the program with the university prior to the event.
- Ensuring all program staff, volunteers, and student leaders complete required training related to youth safety.
- Completing background screenings for individuals working directly with minors.
- Establishing appropriate supervision ratios and safety protocols
- Following reporting procedures for any incidents or concerns involving minors
- RSOs must also ensure compliance with all applicable federal and state laws, as well as BOR and KSU policies governing programs involving minors. (<https://www.kennesaw.edu/protecting-minors/index.php>)

Failure to comply with these requirements may result in the denial of the event, restrictions on the organization's activities, or additional conduct review.

RSOs are strongly encouraged to review the full Programs Serving Minors resources and contact the appropriate university office well in advance of hosting any event involving minors to ensure all requirements are met.

For more information, please visit:

<https://www.kennesaw.edu/protecting-minors/index.php>

U. Bonfires: Bonfires are only permissible on the Marietta Campus on the Field between Norton & Howell Halls. RSOs wishing to host a bonfire must meet with a Student Activities Event Coordinator at least 30 days prior to the event. For more information about hosting a bonfire, go to the KSU Fire and Life Safety Office website.

V. Reservations by Campus Departments: Campus departments cannot reserve space for departmental use for meetings, events, etc. through a registered student organization. Campus Departments must go through the appropriate reservation process for campus departments. Also, campus departments cannot reserve space on behalf of a registered student organization; RSOs must submit their own space reservations as outlined above. More information can be found through the Department of Event and Venue Management:

https://events.kennesaw.edu/reservations/gen_information.php.

W. Reservations by Non-Campus members and Prohibition of Fronting: Non-campus members (individuals or groups of people who are not enrolled at or employed by KSU) may not use an RSO to reserve KSU event space. All non-campus members must reserve space through Event and Venue Management or through the Public Forum Reservation Request form.

The use of an Registered Student Organization to reserve space on behalf of a non-campus individual or organization is considered "fronting." Fronting is defined as the act of a Registered Student Organization reserving space, resources, or services for the primary benefit, use, or control of a non-campus entity, individual, or group.

RSOs found to be engaging in fronting may be subject to restrictions on their ability to reserve campus spaces and access university resources.

Additionally, such actions may impact on the organization's future reservation privileges and could result in further review or action by the Department of Student Activities.

It is the responsibility of the RSO and its members to ensure that all reservations are made for legitimate organizational purposes and that the primary beneficiary and host of any reserved space is the RSO itself.

X. Decorations: All decorations and materials must follow Environmental Health and Safety regulations. Student Activities does not supply decorations to RSOs. If any damage occurs to surfaces and/or excessive cleaning is required, the organization may be assessed a fee or lose reservation access.

Decorations Guidelines:

- Decorations must not block exits or fire safety equipment.
- Keep lighting equipment (especially high intensity) and other heat sources away from decorations.
- Only use materials that are Class "A" rated or UL listed for flame

- retardant in decorations, theatrical scenery.
- Decorations should be removed immediately after the event.
- Prohibited Decorations:
 - Do not cover overhead pipes or sprinkler heads
 - Electrical boxes, AV boxes, and projector screens are to be left accessible with no decor over, under, or around the area.
 - Tape, staples, tacks, nails, pins and hooks (painter's tape is acceptable in some venues, however not supported in the Student Centers) -No pinning or tacking to walls.
 - Decoration that may pose a fire hazard
 - Open flamed candles
 - Fireworks
 - Automatic blinds in spaces are not to be altered without requesting assistance from building staff

Y. Loss of Reservation Access: RSOs found in violation of university policy as it relates to space reservation and use by the RSO will receive a written warning that includes the specific policy violated and the date(s) when the violation occurred.

- Upon receiving a first violation, the President and Reservation Delegate will meet with a staff member from the Department of Student Activities.
- Upon a second violation, the President and Reservation Delegate must complete the online training again or complete a reservation workshop offered by the Department of Student Activities, and a staff member from the Department of Student Activities will speak at a meeting with at least 50% of the organization membership.
- Upon receiving a third reservation violation within one (1) academic year, the RSO will lose reservation access for at least fifteen (15) weeks from the date of the most recent violation. This includes the loss of any future approved reservations the RSO may have had at the time of the third violation.
- Organizations that violate regulations for a third time will also be referred to the Department of Student Conduct and Academic Integrity. Violations include, but are not limited to: furniture damage, space violations such as allowing other organizations to use a space reserved for your organization, unapproved fundraisers, violating Catering policies, film showing violation, using a space without a confirmed reservation, and/or falsifying reservation request information.

Z. 3 Strike Violation Process

- Organizations that fail to comply with university or Student Activities policies may be subject to the following process:
 - **Strike One:** Disciplinary Action with corrective action
 - **Strike Two:** Disciplinary action which may include Organizational Probation, as well as additional oversight and possible restrictions.
 - **Strike Three:** Disciplinary Action which may include suspension of organizational privileges, including but not limited to event registration, facility reservations, funding eligibility, or organizational recognition.

Strikes remain active throughout the semester in which they are issued and the following semester. Serious violations may result in immediate sanctions and may bypass this process. Student Activities reserves the right to determine appropriate sanctions based on the nature and severity of the violation.

Student Activities will work in coordination with Student Conduct and Academic Integrity to ensure due process is followed at every stage of the violation process.

II. RSO Food

- A. Catering for Events On-Campus: All events held on campus that require setup and/or on-site service (such as chafers, sterno or other heat source, banquet attendants, servers, etc.) or any food that requires temperature maintenance is considered catering and must go through KSU Catering or have an approved "[Secondary External Caterer Request Form](#)" to use an off-campus catering service. The "[Secondary External Caterer Request Form](#)" may be completed for any event with catering needs as defined above and must be approved by KSU Catering at least ten (10) business days prior to the event. For a link to the "[Secondary External Caterer Request Form](#)" and a list of exceptions to the catering definition, visit the [KSU Catering website](#).
- B. Use of Grills: RSOs are not permitted to host grilling events.
- C. Sale or Distribution of Food on Campus: KSU follows all local and state health and sanitation regulations and guidelines with regard to food handling. It is the organization's responsibility to be sure that food is prepared and served in the safest way possible and organizations should review the Food Borne Illness Prevention guidelines provided by the CDC to learn about proper

techniques for preparing and serving food. Pursuant to distribution or sale of food and beverages on or in university properties, including off-campus preparation for distribution or sale on campus, students must speak with their designated Event Coordinator from the Department of Student Activities before proceeding as additional forms may need to be in place before an event can be confirmed or approved. Exceptions to this policy will be permitted only with prior approval from the Executive Director of the Department of Student Activities.

KSU follows all local and state health and sanitation regulations and food handling guidelines. Registered Student Organizations (RSOs) are prohibited from selling or distributing unpackaged goods. This includes preparing homemade items and wrapping them in plastic for sale and distribution. The organization is responsible for ensuring that food is prepared and served in the safest manner possible. RSOs are encouraged to review the Foodborne Illness Prevention guidelines provided by the CDC for proper food preparation and service techniques.

For the distribution or sale of food and beverages on university properties, including off-campus preparation for on-campus distribution or sale, students must consult with their designated Event Coordinator from the Department of Student Activities before proceeding. Additional forms may be required before an event can be confirmed or approved. To learn more about those forms, please visit the KSU Catering

Website: <https://www.kennesaw.edu/catering/index.php>. Exceptions to this policy will only be considered with prior approval from KSU Catering.

Food Sales and Distribution

Kennesaw State University (KSU) follows all local and state health and sanitation regulations and guidelines related to food handling and service. Registered Student Organizations (RSOs) are responsible for ensuring that all food and beverages distributed or sold at organization-sponsored events are handled, prepared, and served in the safest manner possible.

Organizations are encouraged to review the Foodborne Illness Prevention guidelines provided by the Centers for Disease Control and Prevention (CDC) to learn proper food preparation, handling, and service techniques. Organizations should also take reasonable precautions to reduce the risk of foodborne illness and allergic reactions. Whenever possible, food items should clearly identify ingredients and common allergens.

All food sales and distributions must comply with university policies, health and safety requirements, and Department of Student Activities procedures. Failure to comply with these requirements may result in action through the **3-Strike Violation Process** outlined in this manual.

Prohibited Food and Beverage Items

RSOs may not distribute or sell food or beverages that are homemade, unpackaged, or packaged by organization members. All food and beverages must be commercially prepared, sealed by the manufacturer, and include ingredients and allergen information.

Organizations may not distribute or sell:

- *Homemade food or beverages*
- Food prepared in a residence hall, apartment, private residence, home kitchen, or other non-commercial facility
- Food or beverages packaged, wrapped, bottled, or portioned by organization members
- Unpackaged food items
- Open food or beverage containers
- Items that do not include ingredients and allergen information

Examples include:

- *Homemade cookies, brownies, cupcakes, cakes, or other baked goods*
- Food prepared by members and brought from home
- Homemade lemonade, tea, punch, or similar beverages
- Individually wrapped homemade food items
- Food portioned into containers or bags by organization members for sale or distribution

Event Approval Requirements

Pursuant to the distribution or sale of food and beverages on university property, including food prepared off campus for on-campus distribution or sale, organizations must consult with their designated Event Coordinator in the Department of Student Activities before proceeding.

Additional approvals, permits, waivers, or forms may be required before an event can be confirmed or approved. Organizations should not advertise or host food-related events until all required approvals have been obtained.

To learn more about required forms, catering procedures, and university food service requirements, please visit the KSU Catering website:

<https://www.kennesaw.edu/catering/index.php>.

Organizations are also encouraged to review the CDC Food Safety resources and Foodborne Illness Prevention guidance available at: <https://www.cdc.gov/food-safety/>.

Exceptions to this policy will only be considered with prior approval from KSU Catering.

Violations

Failure to comply with this policy may result in sanctions through the **3-Strike Violation Process**, including written warnings, organizational probation, suspension of organizational privileges, or other actions deemed appropriate by the Department of Student Activities. Organizations should refer to the **3-Strike Violation Process** section of this manual for additional information regarding violations, sanctions, and appeals.

III. RSO Travel

Travel Registration: When RSO travel is being funded wholly or in part by Student Activity Fees, the trip is a University-authorized activity. Each group or individual participating in the travel must submit a Student Trip Registration Form to the Student Activities Budget Advisory Committee prior to departure. Copies of the form are to be kept with both the Department of Student Activities and the organization traveling so that emergency contact information is available if needed

A. *International Travel:* When an RSO participates in international travel abroad in order to meet the organization's mission and/or purpose(s), the group must submit a Group International Travel Form (Non-Education Abroad) to the Office of International Safety and Security at least 60 days in advance of travel (90 days in advance for travel to high risk locations). International travel is defined as any travel outside of the United States of America and its territories. The Group International Travel Form and more information can be found on the Office of International Safety and Security website at <https://dga.kennesaw.edu/safetyandsecurity/>. The Group International Travel Form can also be found on the Department of Student Activities website under the "Forms & Resources" tab.

B. *Missed Coursework:* Students who participate in University-authorized travel are personally responsible for making necessary arrangements with faculty concerning class work. Approval to travel or receipt of Student Activity Fees in support of travel should not be construed as permission to miss class meetings and course work. Please refer to the current KSU Faculty Handbook for the most up to date policies on student attendance.

C. *Conduct:* Even though RSOs travel takes place off-campus, all institutional policies apply regardless of location. This includes the Student Code of Conduct, policies outlined in this manual, and all Board of Regents' and/or

KSU policies and procedures. RSOs or individuals that violate institutional policies will be held accountable, regardless of where the violation takes place or whether the travel was University-authorized or not.

D. Travel Using University Vehicle:

For RSOs using a University vehicle (either owned, leased, or rented by the University) for travel, only individuals who have completed Defensive Driver Training I (online) and Defensive Driver Training II (in-person) through the Office of Insurance and Risk Management and who comply with the KSU Vehicle Operator Policy are permitted to operate the vehicle. RSOs must be prepared to provide proof of training completion via email upon request by the Office of Student Activities or the Student Activities Budget Advisory Council (SABAC).

E. Emergency and Significant Incident Reporting

The safety and well-being of students participating in Registered Student Organization (RSO) activities and travel is a shared responsibility among organization leaders, advisors, and the university. Any significant incident that may impact the health, safety, or well-being of participants must be reported promptly.

Examples of reportable incidents include, but are not limited to:

- Medical emergencies requiring emergency services or hospitalization
- Arrests or law enforcement involvement
- Threats of violence, weapons-related incidents, or criminal activity
- Vehicle accidents
- Missing participants
- Unsafe lodging conditions
- Natural disasters or severe weather events
- Any situation that may place participants at risk

In the event of an emergency, organizations should first contact emergency services (911) when appropriate and take immediate steps to ensure participant's safety. The organization's President, Trip Leader, or highest-ranking officer present must notify the organization's advisor as soon as reasonably possible. Advisors are responsible for notifying the Department of Student Activities and, when appropriate, the Dean of Students Office or other university officials.

Communication should generally follow the process below:

Organization Officer/Trip Leader → Organization Advisor → Department of Student Activities → Dean of Students Office (as needed)

The Department of Student Activities may request additional documentation or a written incident report following any significant incident. Failure to report incidents

that impact student health, safety, or university operations may result in action through the 3-Strike Violation Process.

IV. RSO Marketing and Publications

A. Posting Regulations: All RSO postings must abide by the University [Posting and Chalking Policy](#) and building-specific posting policies. The following items are included in the posting policies: Chalking, Flyers and Table Tents, Banners, Distribution of Literature, Painting the Rock, and Donation Collection Boxes. More regulations can be found on the [Student Activities](#) website.

- Registered Student Organizations (RSOs) may request posters through the [Campus Print Shop website](#). Detailed printing guidelines are available under the [KSU RSO Poster Request](#) section online.

Please note that RSOs must obtain prior approval through Owl Life before submitting a request for a complimentary RSO poster. If any KSU Branding is included in the poster design, RSOs must also submit and obtain [KSU Design Approval prior to printing or distribution](#).

The Department of Student Activities and Student Center Operations are only responsible for posting within the Carmichael and Wilson Student Centers and are not responsible for materials displayed in other campus locations.

All publications or marketing materials displayed in unauthorized locations or without proper approval may be removed. Repeated or intentional violations may result in restrictions on an organization's posting privileges or access to university resources.

B. Use of KSU Name/Logo: RSOs are permitted to use the Kennesaw State master brand in association with a specific identifier for the organization with university design approval. If the master brand is applied, it must be in a prominent location and larger or of equal size as the organization's identifier. RSOs that wish to use the KSU master brand are required to obtain logo approval. RSOs must submit their designs for approval to the KSU Office of Strategic Communications and Marketing via the Design Approval Form at **designapproval.kennesaw.edu**. University marks and/or logos are subject to all brand guidelines. For more information, please refer to the [KSU Official Logo Guidelines](#).

C. Owl Life Event Announcements: Event announcements are digital fliers for RSO events in the Owl Life System that must be approved by the Department of Student Activities before they will be posted to Owl Life. When the

Department of Student Activities approves an event announcement, it is approving the event announcement only, not indicating that it approves or supports the activities of the event itself. Owl Life events submitted by RSOs for approval must meet the following standards:

- Must indicate the name of the hosting RSO in the event announcement.
- Must include an accurate address for the event with the campus, building, and room number (1000 Chastain Rd and 1100 S Marietta Pkwy is not permissible). This includes indicating whether the event is on or off campus and if it is on the Marietta or Kennesaw campus (if on-campus).
- Must include a date and time. Events advertised in Owl Life cannot exceed a two-day span. If your organization is hosting a week-long series of events, a separate Owl Life event must be submitted for each event.
- If the event indicates that funds will be raised in any fashion, a correlating "RSO Fundraising Approval" form must also be completed and approved prior to the Owl Life event.
- Must not make any reference to alcohol or other drugs or illegal activity.
- Note that an approved Owl Life event is not a space-use approval.
- RSOs must complete an event request through the KSU Reservations system to reserve space on campus.

25-Live or Reservation request submission/approval must meet all reservation policies and guidelines as stated in the function space usage and Owl Life advertisement.

Special note: RSOs must ensure that all social media promotion accurately reflects the nature, purpose, and details of the event as submitted through the reservation portal and Owl Life. If posted content is found to be misleading, inconsistent, or not aligned with the approved event information, the Department of Student Activities reserves the right to cancel the event.

V. Additional University Policies and Regulations

All RSOs are bound by all applicable policies set forth by the Board of Regents and KSU. In addition to the policies outlined in this manual, other policies and regulations which apply to RSOs include, but are not limited to, the following:

- A. Access to University Facilities Policy*
- B. Alcohol and Other Drug Policy*
- C. Contract Approval and Signature Authority Policy*

- D. Environmental and Occupational Safety Policy*
- E. Freedom of Expression Policy: <https://www.kennesaw.edu/student-affairs/public-forum.php>
- F. Freedom of Expression Policy*
- G. Hazing Policy*
- H. Motor Vehicle Operator Policy*
- I. Outdoor Amplified Sound Policy*
- J. Programs Serving Minors Policy*
- K. Public Safety Policy: https://police.kennesaw.edu/special_events.php
- L. Space Usage Prioritization Procedure: <https://events.kennesaw.edu/internal-events/procedures.php>
- M. Student Codes of Conduct*
- N. Travel Policy*
- O. [SABAC Protocol Manual](#)
- P. Tailgating Regulations: <http://www.ksuowls.com/sports/2016/8/10/football-gameday-central-tailgating.aspx>

*All official policies of Kennesaw State University can be found in the [KSU Policy Portal](https://policy.kennesaw.edu/) (<https://policy.kennesaw.edu/>).

As outlined in Chapter 4, Article VI, all RSOs are held accountable for all KSU policies and regulations.

Organizational Policy Violations and Strike Process

Organizations that fail to comply with university policies or Student Activities policies may be subject to the following progressive disciplinary process:

- **Strike One**
 - **Disciplinary Action with Corrective Measures**
The organization will receive a disciplinary action notice and be required to complete appropriate corrective actions to address the violation.
- **Strike Two**
 - **Disciplinary Action with Probationary Measures**
The organization may be placed on **Organizational Probation** and may be subject to additional oversight, monitoring, and operational restrictions as determined by Student Activities.
- **Strike Three**
 - **Disciplinary Action with Potential Loss of Organizational Privileges**

The organization may face suspension of organizational privileges, including, but not limited to:

- Event registration
- Facility reservations
- Funding eligibility
- Organizational recognition

Additional restrictions or sanctions may also be imposed as deemed appropriate.

- **Strike Duration**

Strikes remain active throughout the semester in which they are issued and the immediately following semester.

- **Severe or Egregious Violations**

Serious violations may result in immediate sanctions and may bypass the progressive strike process outlined above. Student Activities reserves the right to determine appropriate sanctions based on the nature, severity, and circumstances of the violation.

- **Due Process**

Student Activities will work collaboratively with the Office of Student Conduct and Academic Integrity to ensure due process is followed throughout the disciplinary and violation resolution process

VI. RSO Accountability

The Codes of Student Conduct, in addition to all KSU policies and regulations, apply to behaviors that take place on any KSU campus, at University-sponsored events, and may also apply off-campus when the Dean of Students, or designee, determines that the off-campus conduct affects a substantial University interest. As such, Registered Student Organizations are collectively responsible for any actions committed by members while at organizational events or when representing the university. For more information about the RSO Accountability Processes, please go to the RSO Website.

Registered Student Organizations (RSOs) are expected to uphold all university policies, procedures, and community standards. The Kennesaw State University Code of Conduct, along with all applicable university policies and regulations, applies to behaviors occurring on university property, at university-sponsored

events, and, when appropriate, off campus when the conduct affects a substantial university interest.

Organizations are collectively responsible for activities, events, programs, and actions conducted in the organization's name or under its sponsorship. An organization may be held accountable for the actions of its members, officers, guests, or participants when those actions occur during organization-sponsored activities, while representing the organization, or when organizational leadership knew or reasonably should have known about the behavior.

Examples of situations that may result in organizational accountability include, but are not limited to:

- Violations of university event policies or procedures
- Failure to comply with event registration or reservation requirements
- Hazing or activities that endanger the physical or emotional well-being of participants
- Damage to university or private property during organization-sponsored activities
- Misuse of university funds, resources, or facilities
- Alcohol, drug, or other prohibited substance violations connected to organization activities
- Harassment, discrimination, retaliation, or disruptive conduct
- Violations occurring during organization travel, conferences, competitions, retreats, or off-campus events
- Failure to follow university safety protocols or directives from university officials
- Failure to appropriately address or report significant incidents impacting participant safety

Organizational accountability may exist even when individual students are also held responsible for their actions. Depending on the nature and severity of the violation, organizations may be subject to corrective action, educational interventions, restrictions, loss of privileges, or sanctions through the 3-Strike Violation Process. Serious violations may result in immediate action and may bypass the 3-Strike Violation Process.

The Department of Student Activities, in consultation with the Dean of Students Office and other appropriate university officials, reserves the right to determine when organizational accountability applies and what actions are necessary to protect the health, safety, and well-being of the university community.

Hazing

RSOs and their members are strictly prohibited from engaging in hazing in any form. Hazing is defined as any action taken or situation created, intentionally or unintentionally, that endangers the mental or physical health or safety of a student, or that produces undue stress, embarrassment, harassment, or ridicule, regardless of a student's willingness to participate. Alleged violations will be addressed through the appropriate University conduct processes and may result in disciplinary action up to and including loss of organizational recognition.

Prevention of Hazing: As a part of the student group informational, recruitment, and membership intake activities, student groups are strongly urged to educate members and prospective members about hazing and to maintain documentation that they have fulfilled this recommendation. Any department or office with oversight of student organizations or groups may choose to require such education.

For full policy details, definitions, and reporting procedures, please refer to:

<https://campus.kennesaw.edu/policies-governance/institutional-policies/docs/policies/hazing-policy.pdf>

Chapter 5: Additional Information for RSOs

I. Communication with RSOs

The official means of communicating to any student organization member, officer, or advisor will be through KSU emails. Other emails or forms of communication may be used to reach out to RSOs or their members, but KSU email remains the official method.

II. RSO Membership

- A. As set forth in the Registered Student Organizations Policy above, all RSOs must have at least five (5) KSU student in good standings members joined together for a common purpose and general membership may be comprised of both full-time and part-time KSU students.
- B. Removal of RSO Members - All RSOs have the right to remove someone from their membership roster or officer position with appropriate due process. For RSOs who do not have a member or officer removal procedure specified within organizational governing documents, the most current version of Robert's Rules of Order will govern the process in consultation with the Department of Student Activities. RSOs should utilize appropriate

adjudicating processes at KSU (through Student Conduct and Academic Integrity and/or the Office of Institutional Equity) when appropriate.

Example of steps related to the removal of a member or executive officer

- **Member Removal Process**

Unless otherwise specified in an organization's governing documents, the following process should be utilized when considering the removal of a member:

- **Step 1 – Written Concern:** Any active member may submit a written concern regarding another member's behavior, conduct, attendance, or failure to meet membership expectations to the Executive Board.
- **Step 2 – Review by Leadership:** The Executive Board will review the concern and determine whether further action is necessary.
- **Step 3 – Notification:** The member in question must be notified in writing of the concern and informed of the meeting date where the matter will be discussed.
- **Step 4 – Opportunity to Respond:** The member shall have the opportunity to speak on their behalf and provide relevant information before any vote takes place.
- **Step 5 – Voting Process:** Voting shall occur during an official meeting where quorum has been established. The members in question may not participate in the vote.
- **Step 6 – Vote Requirement:** Removal of a member shall require a two-thirds (2/3) vote of active members present and voting.
- **Step 7 – Appeals:** The removed member may submit a written appeal within seven (7) business days for reconsideration by the organization's leadership.

Organizations should establish officer removal procedures within their governing documents. At a minimum, officers must be provided written notice of concerns, an opportunity to respond, and a fair voting process before removal.

- C. Right of Members to End Membership - Each member of an RSO (student and non-student) may discontinue membership without undue pressure or interference. If, however, the member has outstanding obligations to the RSO at the time of ending their membership (e.g. monies owed, property that needs to be returned), the individual may be required to satisfy those obligations even though discontinuing membership in the RSO.

III. RSO Resources

The following list is a non-exhaustive list of resources associated with RSO status at KSU. RSOs are encouraged to check with Student Activities or other offices to see what other resources may exist.

1. *Owl Life*: Owl Life is the University's designated student organization management platform and serves as the officially recognized record of organizational activities including officer information, membership rosters, organizational events and other operational records. All RSOs are required to utilize Owl Life, or any successor platform designated by the University, to document organizational activities and maintain organizational records. Roster Access - Officers listed as President, Vice President, and Advisor can change all positions except for President, Reservation Delegate, and Treasurer. These positions must be updated by the Department of Student Activities to ensure compliance with applicable forms and trainings. To update the President, Reservation Delegate, Treasurer, or Advisor positions, the Advisor or President currently listed must complete the "Officer/Advisor Update" form located on the Department of Student Activities website under the "Forms and Resources" section.
2. In addition to serving as an official record for the University, there are many other benefits for organizational function and practice available through the system, including the following:

Each organization's basic information, primary contact information, cover photo, links to social media accounts, and other items can be updated to better describe and market the organization and to provide ways to contact the organization.

- a. The organization's membership roster can be maintained through Owl Life. Through the online roster, student leaders can message members or share documents, events, or forms pertinent to group activities. Student Activities requires all organizations to keep their Owl Life rosters up to date with officers and accurate member lists, as this is the official roster used by the University.
- b. Organizations can create event announcements to market to non-members or create events specifically for members only. Events open to the public will be displayed on the Owl Life main page. With created events, student leaders can track attendance, invite attendees, and follow up with people who attended your

event. All SABAC funded events must track attendance in Owl Life events. Additionally, the event attendance tracking feature in Owl Life is compatible with the tap card readers available for checkout (see below). For hosted activities and events to receive financial support from SABAC, remember that you must use Owl Life to capture all the students who attend. Likewise, when returning from travel using any SABAC funds, you must complete the SABAC Travel Recap Form.

- c. Organizations can store files online in the organization's Owl Life page in the "Documents" section. Student leaders can create permissions so that only officers or members are able to access or edit these files. Passwords and account information can be kept secure with roster-based permissions. One benefit to storing the documents here is that the group will never lose access in the event that an officer steps down.
- d. Organizations can create forms that can be used for organizational activities such as applications or interest forms. Owl Life forms can also have permissions for who will have access to submit and review submissions.
- e. The gallery is used to store photos for the organization and assist with advertising the organization in Owl Life.
- f. The news tab is a place for organizations to share updates with members or non-members on organizational activities.
- g. Organizations can coordinate online elections and set specific permissions to who and when people may be able to access the election.

B. SABAC: The Student Activities Budget Advisory Committee ("SABAC") is an advisory body to the KSU Vice President for Student Affairs that assists with the allocation of Student Activity Fee money to RSOs. Processes and procedures related to RSO funding from SABAC are included in the Kennesaw Student Organizations Policy. Additional information on SABAC may be found on the [SABAC website](#).

- C. Department of Student Activities Office: The Department of Student Activities is located in the Student Center on both Marietta and Kennesaw Campuses. Both locations are open Monday through Friday during the fall and spring semesters (hours may vary). These offices serve as a one-stop shop for RSO assistance with computers, work space, and knowledgeable student assistants that should be able to assist with most RSO questions. For current hours and description of services offered, go to the [Student Activities website](#). Contact information can be found in Chapter 1, Section III.
- D. On-Campus Mailbox - RSOs receive an on-campus mailbox on the campus of their choice (chosen during initial registration or annual registration renewal). The RSO mailboxes are located in Student Activities on both the Kennesaw and Marietta campus. If an RSO receives mail, the Department of Student Activities will notify them for pick up. Mail is held for 30 calendar days and if not retrieved within that window, mail will be returned to sender. For RSO correspondence, the mailing address of the on-campus mailboxes for RSOs are as follows:

1. For the Kennesaw Campus:

[RSO NAME, not Kennesaw State University]
Carmichael Student Ctr. Rm 336 MD 0507
395 Cobb Avenue NW
Kennesaw, GA 30144

2. For the Marietta Campus:

[RSO NAME, not Kennesaw State University]
Wilson Student Ctr. Suite 230 MD 9002
860 Rossbacher Way
Marietta, GA 30060

***Please note that there are no storage spaces available for RSOs.**

- E. Online Officer Trainings: The online officer trainings focus on multiple aspects of organization operations and leadership development. It also serves as the vehicle whereby University-wide policy announcements are made. The modules feature helpful workshops focused on everything from Owl Life and reservations troubleshooting to leadership development and marketing strategies in addition to other sessions geared towards helping

equip RSOs to be successful. Completion of the training is required for all RSOs.

- F. *RSO Workshops:* Throughout the fall and spring semesters, KSU's Department of Student Activities will host workshops on both campuses focused on developing skills and providing networking opportunities for RSO leaders. Check the Student Activities website for more details and a list of upcoming events and topics for both in-person and virtual resources.
- G. *Student Involvement Fairs:* Student Involvement Fairs are a marketing opportunity for RSOs to gather in one place and speak to potential members. Student Involvement Fairs are typically held at the start of both fall and spring semesters.
- H. *Photocopies:* Each RSO may make two-hundred (200) free single-sided black and white copies per semester (fall and spring semester only) at the Department of Student Activities Office on either campus. The organization must supply the original copy.

I. *Posters:*

RSOs may print 2 paper, color posters per semester (Fall is July-December, Spring is January-June) as long as they are in good standing with the Department of Student Activities.

Additional banners and other items may be printed at the expense of the organization.

Poster Requirements:

- Must include student organization name and contact information
- Must obtain approval through Owl Life before submitting the poster print request
- If the design has any KSU Branding, RSO must first obtain [KSU Design Approval](#)
- If publicizing an event, it must include:
 - date
 - time
 - location (building and room) of event
- Posters must be 36" x 48" (portrait or landscape)
- Files **must** be submitted as a PDF

Be mindful of any applicable posting policies.

RSO Posters should be picked up in the Student Activities office. Please follow these instructions when submit the request form:

- For "Delivery Location (Office Building and Suite)": please list Wilson Student Center (Marietta) OR Carmichael Student Center (Kennesaw)
- For "Special Instructions or Additional Information": please list "RSO - [name of your RSO]"
 - 1st file upload – poster design
 - 2nd file upload – OwlLife approval
 - 3rd file upload – KSU Design Approval if required

J. Card Reader Checkout: RSOs may check out tap card readers for their events to track attendance. Card readers may only be requested after a reservation is confirmed and an Owl Life event announcement is approved. Requests for card readers must be submitted at least seventy-two (72) hours in advance of the event. Requests submitted after this deadline will be denied.

Card readers must be picked up in the Student Activities Office on the campus where they are requested during normal business hours and returned within one (1) business day of the event directly to a staff member (with the exception of Friday evening or weekend events, which must be returned during the next regular business hours). Failure to return the card reader within 24 hours may result in the denial of future reservation access.

This card reader checkout process will be in effect beginning Fall 2026. Please note that this process may be discontinued in Spring 2027 due to anticipated updates to the university's engagement platform.

- K. Students with Disabilities: Students who are members or are interested in becoming members of RSOs are entitled to the accommodations outlined by KSU's Student Disabilities Services (SDS"), including but not limited to approved accommodations for disability-related absences and confidentiality of information. All accommodation must be arranged in advance with SDS, as retroactive accommodation is not required. For more information, go to the Student Disabilities Services website.
- L. Recognition and Awards: RSOs and RSO leaders and advisors are eligible to receive recognition and awards for outstanding performance at the Student Leadership Awards. More information on the awards and nomination process can be found on the Division of Student Affairs website in the spring semester.

IV. RSO Finances and Contracting

A. State Funds vs. Private Funds: There are several different types of funds for RSOs including state funds (e.g. funding from an academic department) student fees (e.g. SABAC funds), and non-state funds (e.g. monies collected through membership dues, fundraising profits, support from a national governing body, etc.). Funding from state sources carries restrictions for use, while non-state funds may be less restrictive. RSOs receiving state funds are required to familiarize themselves with the limitations of use of funds upon receipt of those funds. See the SABAC Protocol Manual for more information.

B. Off-Campus Bank Accounts:

1. **All RSOs reserve the right to maintain an off-campus bank account; however, NO University funds are permitted in these accounts.** RSO bank accounts may not contain the name "Kennesaw State University" or any variation or abbreviation of the University name within the account title.

Organizations seeking to establish an off-campus bank account must adhere to the following requirements:

- Obtain a unique Federal Tax Identification Number (EIN):
RSOs must secure their own Federal Tax ID/EIN prior to opening a bank account. This number will be required by the financial institution. To apply for an EIN, visit: <https://sa.www4.irs.gov/modiein/individual/index.jsp>
- Prohibition on use of KSU EIN:
Under no circumstances may the Kennesaw State University Federal Tax ID/EIN be used by an RSO.
- Select a financial institution:
RSOs are responsible for identifying a financial institution of their choosing. The Department of Student Activities does not endorse, recommend, or provide a list of financial institutions.
- Request verification letter:
After selecting a financial institution, the organization must contact the Associate Director of Student Activities – RSOs to request a verification letter. This letter will confirm that the organization:
 - Is in good standing with the University and the Department of Student Activities
 - Is authorized to open an off-campus bank account

- Authorized account representatives:
The verification letter will authorize only the **President and Treasurer** to be listed on the account.

Additional information regarding EINs and off-campus accounts is available through the Department of Student Activities.

The Department of Student Activities and other University offices reserve the right to review the balance and use of off-campus accounts under the following circumstances:

- A. RSO conduct issues
- B. Requests for Student Activity Fee funding (e.g., SABAC requests)
- C. Compliance with requested audits
 1. Advisors must not personally handle RSO funds or assume signature authority over organization of off-campus bank accounts. RSOs are responsible for ensuring that On-Campus Advisors and other employees of the University are not given control of signatory access to their off-campus bank accounts. On-Campus Advisors are not permitted to do the following:
 - a. Open an off-campus bank account in the name of or for the benefit of any RSO.
 - b. Be included as a signatory on any RSO's off-campus bank account.
 - c. Have access to funds associated with any RSO's off-campus bank account (e.g. depositing funds, withdrawing funds, or spending funds).
- C. Fundraising: RSOs can raise funds on and off campus for organizational operations as well as charitable causes (i.e. philanthropy). However, the following additional guidelines apply:
 1. All RSOs who wish to raise funds on campus, including selling sponsorships off campus for an on-campus event, must complete an RSO Fundraising Approval Form.
 2. Under no circumstances is an RSO allowed to provide the University's tax information as a means of soliciting donations. Unless your organization is truly a non-profit with 501(c)(3) status, your donors will not be able to receive a tax deduction for their donations to you.

3. No sales will be allowed for the financial gain of individuals outside of the common interests of the RSO with the exception of the student organizations that have 501(c)(3) status.
4. There are limitations on the ways Student Activity Fee money (i.e. SABAC funds) may be used towards the cost of hosting or producing an event where the primary focus is fundraising (this includes philanthropic fundraisers as well). Please check the SABAC Protocol Manual at sabac.kennesaw.edu for additional details.
5. Raffles - Per the Georgia Code, a raffle is defined as “any scheme or procedure whereby one (1) or more prizes are distributed by chance among persons who have paid or promised consideration for a chance to win such prize. Such term shall also include door prizes which are awarded to persons attending meetings or activities provided that the cost of admission to such meetings or activities does not exceed the usual cost of similar activities where such prizes are not awarded”. RSOs are prohibited from hosting raffles pursuant to GA State gambling laws. However, groups may engage in “opportunity drawings” in which people can become eligible to receive a prize without having to purchase a ticket or be present to win (e.g. everyone who attends an event is given a ticket at no cost and can leave the event and still win).
6. Food and Merchandise Sales—RSOs are allowed to sell prepackaged food or other merchandise if 100% of the proceeds go towards a charitable non-profit or directly to the sponsoring RSO and follow the guidelines below.
 - a. RSOs selling prepackaged (store-bought) food for fundraisers must adhere to the restrictions on on-campus food set forth below. Food may not be homemade.
 - b. RSOs cannot sell food in front of, or adjacent to, campus-based food vendors (e.g. the Commons, Stingers).
 - c. Only members of the official group may sell or conduct promotional services and sales.
 - d. No sales, sales promotion, or other action taken by an RSO shall be conducted in such a manner as to establish or to extend to the campus the appearance of a commercial enterprise.
 - e. No pop-up events hosted by third-party vendors are permitted.

7. Sponsorships - All proposed sponsorships (or other agreements that could be interpreted to be such) are subject to the University Advertising Policy and Solicitation Policy. A few points of the Sponsorship Policy are highlighted below, but this list is not exhaustive.
- a. It is generally permissible for RSOs to accept external support or sponsorship (financially or through the provision of products or services) for University events, programs, publications, or other activities.
 - b. Acknowledgment of sponsorship is not the same as paid advertising. A sponsorship agreement may include a provision for sponsorship signage (e.g., baseball field sign) or other acknowledgement of support (e.g., sponsor's logo on event program).
 - c. Sponsorship support from companies that manufacture, market, or sell tobacco, alcohol, cannabis, or hemp derived cannabinoid products is not permitted at KSU.
 - d. The support or sponsorship may be in the form of a gift of money or a gift-in-kind of goods or services.
 - e. An acknowledgment of sponsorship or recognition of the sponsor's support may not include an endorsement by the University, department, unit, or RSO of the sponsor's product or service. The name, logo, images of the University may not be used in any statement, website, print or electronic communication to market, sell, promote, or endorse any product, business, service, or candidate for public office. An endorsement may lead to the conclusion that the support is an advertisement.
 - f. Special guidelines apply when a department or unit uses campus facilities as part of a sponsorship. Campus facilities must be scheduled through an Internal Event Request Form (i.e. KSU Reservations) and the appropriate authorization obtained.
8. Auctions - RSOs are permitted to host silent or in-person auctions for merchandise or donated professional services (e.g. certificate for free manicure). RSOs are not permitted to host auctions of any type that offer acts of personal servitude outside of professional services through a licensed vendor or business (e.g. date auctions).

9. Ticket Sales - RSOs are allowed to host ticketed events so long as 100% of the proceeds are to go towards a charitable non-profit or directly to the sponsoring RSO and follow the guidelines below. An event is considered ticketed if there is any exchange of goods or money in order to gain access to the event, including required donations.
- a. RSOs may not sell tickets to events where alcohol will be served.
 - b. Tickets and entrance to ticketed events must be available to all KSU students. An RSO can limit access to non-KSU students or charge a separate price for non-KSU students.
 - c. RSOs receiving SABAC funds to host an event are not permitted to charge an admission fee to the event, unless the revenue from ticket sales is used to offset the cost of the event through reimbursement to SABAC.
10. Percentage Nights - RSOs are permitted to host percentage nights (i.e. Events where a portion of a business's proceeds on a specific date and time go to the organization) or similar events with restaurants and other licensed businesses. However, RSOs are not permitted to host percentage nights or similar events with taverns, bars, or other establishments where the majority of earned profits come from the sale of alcohol.

D. Contracts: RSOs using University funding or resources (including the use of space on campus) must receive approval from appropriate University officials before entering into any contracts. KSU officials will only deny an RSO the ability to enter into a contract if the contract violates applicable law or the Board of Regents' or KSU policy or procedures. Only designated University officials may sign contracts on behalf of the University and RSOs. Event coordinators will assist with getting the necessary contracts signed. RSOs must be fully transparent when inquiring with vendors and service providers, stating that they are only seeking quotes and have no contracting authority. For more information, go to the KSU Contract Compliance Office website.

V. Student Activities Policies

- A. *Combining Multiple RSOs into One RSO:* If two (2) or more active RSOs wish to combine to make one (1) new organization, the new RSO must submit a new constitution via the "RSO Update Form" located on the Department of Student Activities website under the "Forms and Resources" section. The

new organization will need to meet with Student Activities staff before the new organization is finalized.

- B. Changing the Official RSO Name: Organizations that wish to change the name of their organization should submit a revised constitution via the "RSO Update Form" with minutes from the meeting showing that a majority of the organization's membership agrees to the name change. After reviewing the constitution with the new name to ensure all constitutional requirements are met, Student Activities staff will update the Owl Life page to reflect the updated name.
- C. Interference with Educational Activities: RSOs may not engage in behavior that willfully disrupts or prevents the conduct of classes or interferes with the educational mission of the University.
- D. Commercial Enterprises: RSOs may not engage in operations (i.e., sales or sales promotion) conducted in such a manner as to establish or to extend to the campus the appearance of a commercial enterprise. RSOs engaging in such behavior may be subject to the cancellation of their event(s) and/or revocation of Registration status as an RSO.
- E. By-Laws and Other Individual RSO Protocols: In addition to a constitution, some RSOs may elect to include by-laws, protocol manuals, membership agreements, or other documents that govern operations of the specific RSO. The Department of Student Activities does not routinely review these additional documents but will do so if requested. It should be noted that any governing document created by an RSO is not automatically approved by the Department of Student Activities and may be subject to review if the effect of the document violates a policy outlined in this manual or other KSU policy.

Chapter 6: Glossary of Terms

Category- All RSOs fall into one (1) of fourteen (14) categories. The category of an organization describes the type of organization and the common purposes that exist among similar organizations (i.e. Academic/Professional).

Initial Registration- The process of starting a new RSO. Used interchangeably with "New Registration."

KSU Reservations- the online portal used to request event space for RSOs. It can be found at reservations.kennesaw.edu.

Off-Campus Advisor- This is an individual who is not affiliated with KSU that may serve as an additional advisor for an RSO. The advisor may be selected by the RSO members or appointed to the RSO depending on the organization's expressed affiliation(s) to an external entity (must be expressed in the RSO's constitution).

The off-campus advisor is responsible for advising, not supervising, the organization and may not make executive decisions for the organization. Off-campus advisors are not permitted to serve as authorized signers on any organizational financial accounts or agreements. Additionally, off-campus advisors must take their direction and guidance from the primary on-campus advisor and defer to the university-affiliated advisor on matters related to compliance with KSU policies and procedures.

On-Campus Advisor- This is the full-time or part-time faculty or staff member that serves as the primary Advisor for an RSO. The advisor may be selected by the RSO members or appointed to the RSO. The advisor is responsible for advising, not supervising, the group, and may not make executive decisions for the organization.

The primary advisor is responsible for providing guidance to the organization and ensuring that all additional advisors, both on-campus and off-campus, are informed of and aligned with KSU policies, procedures, and expectations.

The primary advisor is not permitted to serve as an authorized signer on any organizational financial accounts or agreements.

Advisors may need to be present for room access on campus and are encouraged to attend RSO meetings and events to support student leadership and organizational success.

Owl Life- This is the online organization management software used by the University. It serves as the official record for the University regarding officers and is the official directory of all RSOs.

President- The person identified as the President in Owl Life is viewed by the University as the top executive of the organization and is one (1) of two (2) officers that have access to the KSU Reservations system to make reservations on behalf of the organization. An organization may refer to their President by another name inside the organization (i.e. Captain), but the positional name in Owl Life is fixed. The student serving as President cannot also serve as the Treasurer.

Primary Organizer- This is the person who gathers the information needed for the New RSO Registration process and submits the information in the New RSO Registration form in Owl Life. The Primary Organizer will also be the main person receiving notifications from Student Activities staff regarding the Registration process.

Registered Visitor- The term used by Kennesaw State University to refer to an Off-Campus advisor once the individual has registered with the Department of Student Activities and successfully completed a background check through Human Resources. RSOs maybe responsible for the costs associated with an Off-Campus Advisor becoming a Registered Visitor.

Re-Registration- The annual process of remaining an active RSO by completing all requirements from the Department of Student Activities. Used interchangeably with "Renewal."

Reservation Acknowledgment- This is an email that an RSO will receive from Student Activities, indicating that the reservation submission has been received.

Reservation Confirmation-This is an email from Student Activities that an RSO will receive confirming that the reservation and its details have been approved.

Reservation Delegate- The person identified as the Reservation Delegate in Owl Life is one (1) of two (2) officers that have access to the KSU Reservations system to make reservations on behalf of the organization (the other being the President). An organization may include the Reservation Delegate duties as part of another officer's responsibilities (i.e. Secretary or Vice President) and thus the officer has two (2) positions in Owl Life, but the positional name of "Reservation Delegate" in Owl Life is fixed.

RSO- Registered Student Organizations (RSOs) are groups that have registered with the Department of Student Activities at KSU and have met all of the expectations of RSOs.

SABAC- The Student Activities Budget Advisory Committee (SABAC) is an advisory body to the VP for Student Affairs that assists with the allocation of Student Activity Fee money to RSOs through the form of annual budgets and supplemental funding for specific event and/or travel.

Student Activities- The Department of Student Activities is part of the Division of Student Affairs at Kennesaw State University. This department is the primary department responsible for the registration, support, and oversight of RSOs.

Treasurer- The person identified as the Treasurer in Owl Life is viewed by the University as the person responsible for financial operations of the organization. An organization may refer to their Treasurer by another name inside the organization (i.e. Finance Chair), but the positional name in Owl Life is fixed.
