Kennesaw State University

2014-2015 Fact Book

GENERAL INFORMATION

Highlights: 2013 - Present

2013-2014

- The Board of Regents formally designated Kennesaw State as a comprehensive university giving it a full range of responsibility for teaching, research, and service.
- Kennesaw State University broke ground on the \$38.7 million Dr. Betty L. Siegel Student Recreation and Activities Center. The facility, named for the University's second and longest-serving president. In addition, officials broke ground on a \$4.4 million renovation and expansion project that will provide a much-needed makeover for the historic Horace W. Sturgis Library, and expand space to enhance student learning, engagement and academic success.
- Kennesaw State celebrated its 50th anniversary in October, with a weeklong series of activities, lectures, discussions and celebrations. The University was chartered as Kennesaw Junior College in 1963, and when it opened its doors 48 years ago, there were 1,014 students and 37 faculty.
- In an effort to provide an option for academically advanced, college-bound students, Kennesaw State University launched an Honors College in January 2014.
- Grand Opening festivities featuring dancers and musicians at Kennesaw State's Bernard A. Zuckerman Museum of Art included a special appearance by Georgia Gov. Nathan Deal and First Lady Sandra Deal, who helped cut the ribbon on the newest addition to the university's arts district.

2014-2015

- The Board of Regents of the University System of Georgia voted to consolidate Kennesaw State and Southern Polytechnic State University into a single institution, making it one of the 50 largest public universities in the country.
- Kennesaw State earned a Community Engagement Classification from the Carnegie Foundation for the Advancement of Teaching, which places the university among the top 10 percent of institutions in the nation for its ongoing collaborative efforts with the community.
- KSU developed a new doctoral-level degree program, the Ph.D. in Analytics and Data Science.
- Kennesaw State named the Michael A. Leven School of Culinary Sustainability and Hospitality.
- Key building projects were completed on the Kennesaw Campus, including the Dr. Betty L. Siegel Student Recreation and Activities Center and the addition to the Bagwell College of Education.
- Kennesaw State officially opened its first permanent international education site in a historic 13th century fortress in Montepulciano, Italy, allowing the university to conduct year-round academic programs there.

Highlights: 2007 - 2012

2008-2009

- Addition of the Central Parking Deck in 2008 brought 2,664 new parking spaces. The Central Parking Deck is KSU's largest deck with 7 stories.
- 2008-2009 was the Year of Turkey in the Country Study program. This program focuses on an emersion experience for the students through a series of lectures, performances, exhibits and films of a specific country or world region. The event closed with a lecture on author James Baldwin.
- KSU celebrated its 45th anniversary in 2008.
- The Kennesaw State Department of Intercollegiate Athletics hosted the 1st Annual Athletics Kickoff Celebration in Fall 2008 which featured a soccer exhibition by the two-time defending Atlanta Sun Conference champion Owls.
- KSU was recognized as one of the top universities in the country by The Chronicle of Higher Education's "2009 Great Colleges to Work For®." This distinguished KSU among the top 10 schools in six categories – confidence in senior leadership, teaching environment, collaborative governance, professional/career development programs, physical work space conditions and post-retirement benefits.

2009-2010

- In Fall 2009, the Commons Dining Hall opened for business offering a wide variety of choices at specific venues. The new dining facility offers the students a chance to participate in special events like dinner and a movie.
- 2009-2010 was the Year of Korea in the Country Study program. This program focuses on an emersion experience for the students through a series of lectures, performances, exhibits and films of a specific country or world region. A concert showcasing the calming and soulful gayageum – a 12-string zither that is considered Korea's national instrument – was just one of many highlights.
- KSU was awarded an \$8.9 million dollar grant from the U.S. Department of Education to establish an innovative K-12 teacher preparation program in high-need, urban schools in Cobb County.
- On May 2, 2010, the ribbon cutting for the KSU Soccer Stadium brought 8,300 seats, including 572 club seats and 132 patio seats, to the KSU Owls women's soccer team making it the largest women's-only soccer stadium in the world. The stadium also brings professional sports to KSU in the form of the Atlanta Beat of Women's Professional Soccer who plays their home games in the KSU Soccer Stadium.
- In Spring 2010, KSU's Bagwell College of Education was approved to offer a Bachelor of Science in Early Childhood Education-Birth to age Five to instruct and work with infants, toddlers, preschool, and kindergarten.

- At its March 10, 2010 meeting, the Board of Regents of the University System of Georgia approved a Doctor of Philosophy degree in International Conflict Management as KSU's first Ph.D. program. This program started in Fall 2010.
- KSU swept the top collegiate sales competitions at the annual National Collegiate Sales Competition, the largest collegiate sales competition in the U.S., in Fall 2009.

2010-2011

- Prillaman Hall, housing the Wellstar College of Health and Human Services, opened during the Fall of 2010. This \$56 million dollar facility added over 191,556 square feet of classroom, lab, and office space; making it KSU's largest building.
- 2010-2011 was the Year of Romania in the Country Study program. This program focuses on an emersion experience for the students through a series of lectures, performances, exhibits and films of a specific country or world region. The "Year of Romania" was kicked off with a visit from the Romanian ambassador to the United States.
- In November 2010, KSU students voiced support for a \$100 dollar per-semester football fee, which would be initiated in Fall 2012 after achieving additional milestones toward launching a football program at KSU in Fall 2014.
- Fall 2010 marked yet another enrollment milestone with 23,452 students, and 2,892 beginning freshmen.
- More than 1,700 students graduated from KSU during the December 2010 commencement ceremony.
- KSU received a \$2.85 million dollar grant from the National Science Foundation to create through the College of Science and Mathematics a Recruiting and Retaining Teacher Leaders in Physics and Chemistry project to meet the growing need for highly qualified middle and high school science teachers locally and nationally.
- Made possible through an undisclosed contribution to the KSU Foundation, KSU launched an Entertainment and Music Management Certificate Program in Fall 2010.

2011-2012

- Kennesaw State University raised \$75.1 million during its first capital campaign, reaching the target 15 months ahead of schedule.
- 2011-2012 was the Year of Peru in the Country Study program. This program focuses on an emersion experience for the students through a series of lectures, performances, exhibits, and films of a specific country or world region. The "Year of Peru" was kicked off with an exhibit of more than 40 original photographs capturing the discovery and excavation of the majestic 15th-century Incan city of Machu Picchu by explorer Hiram Bingham 100 years ago.
- Kennesaw State University broke ground on a new facility dedicated entirely for the purposes of scientific teaching and research. The \$21 million KSU Science Lab Addition will enable the university to expand course offerings and increase research opportunities for students and faculty.

- Scheduled to open in August 2012, KSU broke ground on a \$26-million addition to its portfolio of on-campus student housing.
- Fall 2011 marked yet another enrollment milestone with 24,175 students, and 2,880 beginning freshmen.
- KSU received two Gold awards in the University System of Georgia Chancellor's Customer Service Excellence Award competition. One award is for Customer Service Institution of the Year and the other is for Outstanding Customer Service Contact Center.
- In Spring 2012, the University System of Georgia's Board of Regents approved a new master of science in integrative biology for Kennesaw State University. This is the first degree of its kind in the state of Georgia.

2012-2013

- Kennesaw State University added University Place II, a new 451-bed, 207,500-square-foot apartment complex for upper-class students bringing the number of on-campus beds to nearly 3,500. This year marked 10 years as a residential campus.
- 2012-2013 was the Year of Ghana in the Country Study program. This program focuses on an emersion experience for the students through a series of lectures, performances, exhibits, and films of a specific country or world region. The "Year of Ghana" was kicked off with a visit by University of Cape Coast officials.
- KSU opened a \$21 million, state-of-the-art science lab addition today that will enable professors to do what they do best: teach tomorrow's scientists, ask fundamental research questions and make connections across disciplines. The 73,000-square-foot, five-story building features six teaching labs, 17 research labs, and a light-filled atrium where students can gather and share ideas. The atrium connects the new building to the College of Science and Mathematics' existing Clendenin Building, which houses technology classrooms and the Department of Computer Science.
- On Wednesday, February 13, the Board of Regents of the University System of Georgia voted to approve KSU's request to add football to its 17-sport NCAA Division I intercollegiate athletics program. Kennesaw State university officials anticipate that 2015 will be the team's first year of competition.
- A new bachelor's degree in Culinary Sustainability and Hospitality at Kennesaw State University moves the farm-to-table concept from the plate to the bottom line, looking at the economic advantages of implementing sustainable practices throughout the food service industry. Designed by top industry experts, the bachelor's degree program has been shaped to offer a unique approach to the study of culinary and hospitality management – infusing the curriculum with knowledge in sustainability, while also emphasizing food science, nutritional analysis, resource conservation, and essential business skills and abilities.

Highlights: 2002 - 2006

February 16, 2006: Dr. Daniel S. Papp was named as president of KSU.

May 12, 2005: Dr. Betty L. Siegel, KSU's second president and one of the longest serving female presidents in the nation, announced she will be stepping down after 25 years of leadership.

The new KSU Dance Company will perform at the American College Dance Conference in 2006.

In April 2005, the KSU cheerleading team won their second consecutive NCA National Championship.

2004 - 2005 KSU's Athletic Department moves from Division II to Division I and joins the Atlantic Sun Conference.

Addition of the North Parking Deck in 2004 brought 1,558 new parking spaces - primarily used by the residents of KSU's University Village.

In March 2004, the men's basketball team won the NCAA Division II National Championship.

In 2004, the KSU cheerleading team took home their first national championship after three consecutive national runner-up finishes from 2001-2003.

In 2003, the women's soccer team captured the NCAA Division II National Championship.

The Bagwell College of Education received the 2003 Best Practice Award for the Innovative Use of Technology from the American Association of Colleges of Teacher Education.

KSU celebrated its 40th anniversary in 2003.

Women's soccer was a highlight for the athletic department at KSU. In the Fall of 2002 a new soccer field was completed and a team was recruited for the new season. The team finished with a successful first season.

The Clendenin Building, housing the Computer Science and Information Systems department, opened during the Summer of 2002. This added 11 high-tech classrooms and 35 more faculty offices with a total of over 37,000 square feet.

Fall 2002 was the first semester the two new parking decks, the West Deck and the East Deck, were opened to relieve some of the parking issues experienced by students during peak enrollment times.

Another major space addition in Fall 2002 included nine homes that existed on Frey Lake Road that were purchased by the KSU Foundation and converted to office space for a number of

centers such as the International Center, Institutional Effectiveness, CETL, Health, and CAREing.

An historical event for KSU was the building and acquisition of residential apartments for students beginning Fall 2002. University Place was built on existing land and offered 700 beds while KSU Place was purchased and provided another 400 beds for students. The popularity of the living-learning centers was demonstrated by filling the apartments to capacity within the first semester of opening. The KSU Foundation sponsored the building and leasing of the properties.

KSU passed an enrollment milestone during Fall 2002, when the number of students exceeded 15,500 and the number of new beginning freshmen reached an all-time high of over 2000.

Highlights: 1996 - 2001

Two new degree programs were approved under the Bachelor of Science degree. The Geographic Information Science major was implemented in Spring 2001 and the Criminal Justice major was approved in Spring 2002.

A new masters of science degree in Applied Computer Science for Experienced Professionals debuted in Fall 2001.

The Visual Arts building, which offers over 35,000 square feet of classroom and office space, opened in Spring of 2001.

The beautiful campus green, circled by the Millennium Walk was dedicated in April 2000.

KSU was approved to begin offering in the fall of 2000 a new masters program in Conflict Management which is housed in the College of Humanities and Social Sciences, under the Department of Political Science.

In 1999, KSU leased the Kinder Outlet Mall through the KSU Foundation and renovated it to house the Continuing Education Division giving them the much needed classroom and conference facilities for their programs. There are a few other campus functions housed in the newly named Kennesaw State University Center, such as the Burruss Center, the campus Mail Room and the University Foundation Offices.

The student center addition opened in the summer of 1999, tripling the amount of present space available for student success and development opportunities.

In 1998-99, KSU added a School of the Arts as a home to the departments of Music, Theatre, and Visual Arts. Additionally, the School of Nursing was changed to the College of Health and Human Services bringing together related departments of Nursing, Primary Care Nursing, Public Administration, and Health and Physical Education. The College of Humanities and Social Sciences included a new department of Sociology, Geography, and Anthropology.

The first graduate program in the College of Science and Mathematics opened in spring semester 1999 with a Master of Science in Information Systems, enrolling 20 students.

The rerouting of Frey Road was completed in 1998 enabling thirty additional acres to be joined with the rest of the campus. On this property, the new Kennesaw Hall, which houses the Bagwell College of Education, Student Success, and central administrative offices, opened in the summer of 1999.

Several new building projects were under construction in 1998. The renovation of the Natural Science Building to the Nursing Building was completed in the summer of 1998. The Legacy

Gazebo, built with funds raised by the KSU Staff Council, opened in 1997 and the accompanying Teahouse opened in 1998.

Fall 1998 was the first term of the newly implemented semester system.

In 1997, KSU awarded its first honorary doctorate to lifelong trustee, Clarice C. Bagwell.

The College of Education was named after benefactors Clarice and Leland Bagwell, longtime educators and long-standing Kennesaw State friends. The University received the largest gift in its history, 680 acres of land in Bartow County on behalf of the Bagwells.

The Bagwell College of Education accepted its first class in the newly approved Master of Education in Special Education Interrelated for the fall of 1997.

The Coles College of Business was listed in the 1996 Success Magazine report on "The 25 Best Business Schools for Entrepreneurship" as one of the "Top 10 Up-and-Comers".

The baseball and softball teams won the NCAA Division II national championships in 1996. KSU became only the second Division I or II team in NCAA history to win both titles in the same season.

In April 1996, the KSU School of Nursing was reaccredited by the National League of Nursing with outstanding remarks and no recommendations.

Kennesaw State achieved high marks from the team of Southern Association of Colleges and Schools reviewers and was fully reaccredited at undergraduate and graduate levels in 1996.

Kennesaw State College became Kennesaw State University on June 12, 1996, when the Board of Regents approved a reorganization plan and granted university status to many of the senior colleges in the state. Part of the reorganization allowed KSU to rename four of the five schools to colleges.

Highlights: 1990 - 1995

A \$15 million building to house the College of Science and Mathematics opened in January of 1996.

The Master of Science in Nursing for primary care nurse practitioners accepted its first class in the Winter, 1996.

Another innovative masters program was approved by the Board of Regents. The Master of Arts in Professional Writing admitted its first class fall quarter 1995.

The Michael J. Coles School of Business was granted full accreditation by the American Assembly of Collegiate Schools of Business in 1994. At the same time, KSC completed a highly successful accreditation visit by the National Council for the Accreditation of Teacher Education (NCATE) meeting all 18 standards and gained accreditation at the advanced and basic levels.

In July, 1994, the School of Nursing was approved by the Board of Regents, becoming the fifth school of the college. The School of Science and Allied Health was renamed to the School of Science and Mathematics.

The School of Business Administration was named after entrepreneur and philanthropist, Michael J. Coles in 1994 who donated in excess of \$1 million to the KSC Foundation. Additionally, a second endowed chair in the business school was established the Tony and Jack Dinos Chair of Entrepreneurial Management.

The Educational Technology Center, established in 1993, houses a \$2 million state-of-the-art laboratory with a distance learning classroom for pre-service and in-service teacher training for instructional improvement.

The Lex and LeoDelle Jolley Lodge, made possible through the KSC Foundation and a major gift by the Jolleys, was officially opened in the fall of 1993. It provides more than 6,000 square feet of space on campus to be used for retreats, meetings and social gatherings.

Additionally, in 1993, 30 acres across Frey Road were acquired by the college and have been used for future campus expansion including a multipurpose building and additional parking.

In an effort to creatively expand space for the college, a 50,000-square foot office complex at Chastain Center, located near the campus, was leased. The Division of Continuing Education, the School of Nursing and the Small Business Development Center moved to that location.

The Master of Accounting degree officially enrolled its initial class of graduate students during the fall of 1993.

A new Department of Public Administration and Human Services was formed in 1992 and initiated a Master of Public Administration program in the fall of 1993 with 45 graduate students.

An 18-month Master of Business Administration for Experienced Professionals program was initiated with the first 51 graduate students in January, 1993.

Evidence of solid student outcomes continued to emerge in the 1980s and 1990s. In the last decade, more than 90% of the nursing graduates passed the licensing exam on the first attempt. KSC teacher education graduates led the state in passing rate on the Teacher Certification Exam.

The 100,000-square foot A.L. Burruss Building, home for the School of Business Administration, opened in 1991, setting the precedent for other large academic buildings to be planned for KSC.

After five years of careful study and preparation, a new general education (core) program was fully implemented in 1991.

In 1990, the Department of Curriculum and Instruction was divided into the departments of Elementary and Early Childhood Education and Secondary and Middle School Education. A new Department of Communication was also created.

A campus chapter of Phi Kappa Phi National Honor Society was installed during the 1990-91 year.

In 1990, the admissions office added a new system called Telephone Admissions Status Inquiry (TASI) that offers students 24-hour, seven-days-a-week access to admissions information, including the status of their application, admissions deadlines, test-score requirements and other valuable information.

The fall 1990 enrollment surpassed 10,000 students for the first time in the history of the college.

From 1986 to 1990, as a result of raised admission standards and more stringent exiting requirements, developmental studies enrollment decreased 28% while the USG developmental enrollment grew by 60%.

Vision

Kennesaw State University will be a world-class comprehensive university recognized for its excellence in education, discovery, innovation, technology, and community engagement at all levels from local to global. The KSU experience will empower the members and graduates of the university community to have the vision, ability, and courage to transform the future.

Mission

Kennesaw State University offers high-quality and productive undergraduate, graduate, continuing education, and co-curricular programs. These include learning opportunities in architecture, the arts, business, computing, education, engineering and engineering technology, health and human services, honors experiences, humanities and social sciences, interdisciplinary studies, leadership development, the natural and physical sciences, study abroad, and other related disciplines. The University's research, scholarship, creative activities, and public service initiatives expand and apply knowledge, contribute to economic development, and improve the quality of life in local communities, Georgia, the nation, and the world.

The KSU community values open, honest, and thoughtful intellectual inquiry, innovative and creative problem solving, professionalism, expertise, collaboration, integrity and ethical behavior, engaged citizenship, global understanding, sustainability, mutual respect, and appreciation of human and cultural diversity. The University community strives continually to enhance student success, improve institutional quality, and respond to public demand for higher education.

Goals

- Goal 1 – Transform two distinct educational institutions into one student-centered comprehensive university.
- Goal 2 – Promote excellence and innovation in education through teaching, supervising, and mentoring students; research, creative activity, and scholarship; and professional service.
- Goal 3 – Improve recruitment, retention, progression, and graduation rates (RRPG) in accord with Complete College Georgia by enhancing the quality, breadth, and relevance of academic programs so graduates are prepared for work and life.
- Goal 4 – Increase engagement and prominence in the local community, Georgia, the nation, and the world.
- Goal 5 – Foster a welcoming, diverse, and inclusive environment while enhancing the collegiate experience and sense of community within the university.

Kennesaw State University (KSU) is regionally accredited by the Southern Association of Colleges and Schools (SACSCOC) which serves as the gatekeeper for federal funding. In addition, KSU offers numerous programs that are accredited by specialized or professional accrediting agencies. At the time of this report, no sanctions or negative actions had been taken from accrediting bodies, no agencies had terminated accreditation, and no KSU programs had voluntarily withdrawn accreditation within the two years prior to the submission of this report.

CONSOLIDATED STRATEGIC PLAN 2015-2016

Vision Statement

Kennesaw State University will be a world-class comprehensive university recognized for its excellence in education, discovery, innovation, technology, and community engagement at all levels from local to global. The KSU experience will empower the members and graduates of the University community to have the vision, ability, and courage to transform the future.

Mission Statement

Kennesaw State University offers high-quality and productive undergraduate, graduate, continuing education, and co-curricular programs. These include learning opportunities in architecture, the arts, business, computing, education, engineering and engineering technology, health and human services, honors experiences, humanities and social sciences, interdisciplinary studies, leadership development, the natural and physical sciences, study abroad, and other related disciplines. The University's research, scholarship, creative activities, and public service initiatives expand and apply knowledge, contribute to economic development, and improve the quality of life in local communities, Georgia, the nation, and the world.

The KSU community values open, honest, and thoughtful intellectual inquiry, innovative and creative problem solving, professionalism, expertise, collaboration, integrity and ethical behavior, engaged citizenship, global understanding, sustainability, mutual respect, and appreciation of human and cultural diversity. The University community strives continually to enhance student success, improve institutional quality, and respond to public demand for higher education.

Goal 1

Transform two distinct educational institutions into one student-centered comprehensive university

OBJECTIVE 1:
Integrate programs, policies, and procedures to ensure a seamless consolidation

Action Steps:

1. Follow up and implement recommendations of the Operational Working Groups as approved by the Consolidation Implementation Committee, the University President, the System Office, and the Regents
2. Successfully achieve milestones of seamless operations at the effective date for administrative consolidation in January 2015, the implementation of the initial fiscal year budget for the consolidated institution in July 2015 (and the new federal financial aid year for 2015-16), and the first semester of consolidated registration and instruction for Fall Semester 2015
3. Provide transparent and timely communication between and among the president, administration, faculty, staff, students, alumni, and the community in matters of consolidation
4. Achieve the final Substantive Change approval from SACSCOC for accreditation compliance of the consolidated institution

OBJECTIVE 2:
Preserve and build upon the strengths and best practices of SPSU and KSU in advancing the operations and creating the culture of the consolidated university

Action Steps:

1. Develop an appreciation for the traditions of each campus on both campuses
2. Create programs and activities through which the students, faculties, staff, alumni, and friends of both campuses can develop a shared sense of identity, values, and purpose

Goal 2

Promote excellence and innovation in education through teaching, supervising, and mentoring students; research, creative activity, and scholarship; and professional service

OBJECTIVE 1: Improve on-campus, off-campus, and online learning environments

Action Steps:

1. Provide additional funds to academic departments and colleges earmarked to improve faculty teaching expertise
2. Begin planning of new off-campus educational sites selected with input from off-campus advisory groups, after BOR approval
3. Increase support and reassignment incentives for faculty involved in technology-enhanced education
4. Increase the number and quality of online courses and degrees offered based on student demand and the changing environment
5. Maintain or decrease student-faculty ratios and student-staff ratios
6. Systematically engage with the community to identify needs for new academic programs and services
7. Identify, implement, and reward best practice teaching strategies for student-centered learning
8. Explore and adopt as appropriate evolving and innovative methods of educational delivery

OBJECTIVE 2:

Increase the number of faculty, administrators, and staff who are nationally and internationally recognized for their research, scholarship, creative activity, and professional service

Action Steps:

1. Fund and hire at least two new chaired professorships in each degree-granting college
2. Develop support programs for faculty to develop and submit proposals that will lead to external funding or other external support for their efforts
3. Develop additional reward systems for recognizing exemplary professional service
4. Support the scholarship of discovery, teaching, learning, integration, application, and engagement
5. Increase support and reassignment incentives for faculty mentoring undergraduate and graduate students in research

OBJECTIVE 3:

Increase external funding generated for teaching, supervising, and mentoring; research, creative activity, and scholarship; and professional service

Action Steps

1. Develop programs that help to increase the number of external grant and contract proposal submissions
2. Work with off-campus advisory groups to identify new premium/customized programs and/or existing degree/certificate programs that support economic development
3. Initiate or enhance at least three programs per year that support economic development

Goal 3

Improve recruitment, retention, progression, and graduation rates (RRPG) in accord with Complete College Georgia by enhancing the quality, breadth, and relevance of academic programs so graduates are prepared for work and life

OBJECTIVE 1: Strengthen KSU's data-centered approach to RRPG initiatives

Action Steps:

1. Analyze RRPG factors that influence KSU's retention and graduation rates and benchmark them to comparators
2. Initiate or enhance specific programs designed to improve RRPG based on the findings

OBJECTIVE 2: Expand student participation in academic engagement activities

Action Steps:

1. Increase the number of student peers (leaders, mentors, supplemental instructors, teaching assistants, etc.) serving each degree-granting department
2. Create an Honors College, which includes discipline-specific honors programs and activities
3. Increase the number of students competing for national-level scholarships
4. Increase the percentage of students who at graduation are employed or pursuing additional education

OBJECTIVE 3: Create and implement strategies to improve RRPG rates

Action Steps:

1. Create a comprehensive and seamless advising program to include mentoring and tutoring as needed
2. Implement an early intervention plan within each degree-granting department to advise students
3. Increase support and reassignment incentives for faculty participating in intervention programs for at-risk students
4. Increase financial aid available to students, and promote financial aid opportunities to all students
5. Increase participation in career, counseling, leadership, and residence life programming and services
6. Make instruction on the value of class attendance, time management, ethics, interpersonal skills, and academic performance available to all KSU students
7. Provide coordinated administration of opportunities for students to participate in internships and co-ops
8. Create a faculty-led university council to provide input and advice regarding RRPG initiatives
9. Encourage instructional methodologies that actively and effectively engage students
10. Increase the number of enrolled students who have a high school GPA of at least 3.5

OBJECTIVE 4: Expand educational opportunities via articulation agreements

Action Steps:

1. Maintain and periodically assess existing agreements with regard to benefit and applicability
2. Identify and implement effective new articulation agreements

Goal 4

Increase engagement and prominence in the local community, Georgia, the nation, and the world

OBJECTIVE 1:
Develop and implement a framework that creates synergies among community engagement initiatives

Action Steps:

1. Create an infrastructure and budget to coordinate, leverage, promote, market, and measure community engagement to raise awareness and visibility
2. Increase the number of students, faculty, staff, and administrators participating in community engagement activities
3. Increase the number of KSU and SPSU alumni actively participating in KSU and Alumni Association activities

OBJECTIVE 2:
Raise the profile of KSU's academic programs, research, scholarship, and creative activity

Action Steps:

1. Incorporate external reviewers from peer institutions in promotion and tenure processes
2. Increase faculty and staff membership and leadership in national and global associations
3. Obtain accreditation in all programs for which an appropriate accrediting body exists
4. Increase faculty engagement in research, scholarship, and creative activity

OBJECTIVE 3:
Identify and nurture existing programs and areas of excellence that have achieved or have potential to achieve national or international prominence

Action Steps:

1. Provide additional funding to nationally recognized programs and areas
2. Target and promote two programs and/or areas per year for national or international prominence

OBJECTIVE 4:
Recognize and reward engagement in KSU's local, state, national, and international communities

Action Steps:

1. Create Foundation Community Engagement awards and incentives for faculty, staff, students, alumni, and partners
2. Create one faculty, one staff, and one student community engagement fellow in each degree-granting college

Goal 5

Foster a welcoming, diverse, and inclusive environment while enhancing the collegiate experience and sense of community within the university

OBJECTIVE 1: Promote a culture of consistent, high-quality service

Action Steps:

1. Conduct a biennial customer service satisfaction assessment of all members of the KSU community
2. Institute a comprehensive customer service training program based on the assessment

OBJECTIVE 2: Enhance the co-curricular and extra-curricular experience for students

Action Steps:

1. Increase the involvement of students in co-curricular and campus life programs
2. Provide engagement, leadership, and learning opportunities in co-curricular and campus life programs
3. Begin an intercollegiate football program and additional women's intercollegiate athletic programs

OBJECTIVE 3: Promote an institutional culture of diversity, inclusion, and sensitivity

Action Steps:

1. Collect baseline data on the intercultural competence of students, faculty, and staff that will lead to improvements in diversity, inclusion, and sensitivity on campus
2. Develop initiatives to increase participation in diversity and inclusion programs for faculty, staff, administrators, and students
3. Integrate broadly defined diversity and inclusion curricula into the academic core
4. Ensure that each academic and operational department has an effective plan for recruiting and retaining diverse populations

OBJECTIVE 4: Enhance the work experience and the job environment for all KSU employees

Action Steps:

1. Provide campus-based child care options for employees and students
2. Institute recruitment, retention, and training programs supporting advancement opportunities for all
3. Pursue compensation levels competitive with academic and/or private sector peers, as appropriate
4. Provide professional opportunities that reward high performance
5. Expand options and policies to support the educational goals of employees

OBJECTIVE 5: Expand opportunities for the community to engage with the university

Action Steps:

1. Communicate outreach opportunities that are offered by the University community
2. Develop and maintain off-campus partnerships such as service learning, consulting, and similar activities
3. Develop and implement a comprehensive communication and marketing plan

Goal 6

Expand resources and improve operational efficiency and effectiveness

OBJECTIVE 1:

Ensure that facilities and infrastructure keep pace with growth and evolving sustainability standards

Action Steps:

1. Increase the square footage available per full-time equivalent student (FTE) to the average level of square footage per FTE at comprehensive universities in the University System of Georgia
2. Ensure, whenever possible, that all new building projects are built to “Green Building Standards” so that they are LEED and/or PEACH certifiable
3. Develop a master modernization plan and complete modernization in at least two buildings per year
4. Maximize classroom, laboratory, and other instructional site utilization rates based on University System criteria
5. Assess the environmental impact of existing sustainability initiatives and create policies that reflect best practices

OBJECTIVE 2:

Improve business processes, organizational structure, and staffing

Action Steps:

1. Review business processes for at least two organizational units per year to assure internal controls, guarantee accountability, identify inefficiency, and reduce redundancy
2. Examine the adequacy of staff levels to ensure that university needs are met

OBJECTIVE 3:

Increase revenue and support to the university from appropriate sources

Action Steps:

1. Increase the level of state funding per full-time equivalent student (FTE) to the average level of state funding per FTE at comprehensive universities in the University System of Georgia
2. Initiate the steps to prepare for launching a comprehensive capital campaign
3. Initiate fundraising programs that increase the combined contribution rate for faculty, staff, and administrators to 40 percent or more, and for alumni to 5 percent or more
4. Increase amount of funding received through grants and contracts

Kennesaw State University, a unit of the University System of Georgia, is an equal opportunity institution, which does not discriminate on the basis of race, color, sex, sexual orientation, age, religion, national origin or disability.

USG Strategic Plan

Framework of the Strategic Plan and Public Agenda for the University System of Georgia

Public higher education has changed dramatically in the last ten years. Concerns about affordability are greater than ever, and pressures on quality continue to increase. Questions are raised about the value of getting a bachelor's degree at the same time data show that the jobs of the future will require higher levels of education. Unemployment rates among college graduates remain much lower than those without. But state support has declined and costs of attendance have shifted even more to families and students. Yet other large industrial nations, like China and India, are threatening the long-held U.S. leadership position in higher education and number of college graduates. To compete economically, Georgia must raise the attainment levels of its citizens.

Building upon the Governor's and USG Regents' Complete College Georgia initiative, the Strategic Plan and Public Agenda of the University System of Georgia will accelerate higher education's commitment to educational attainment, accountability, partnerships, performance, value, and global competitiveness. College is increasingly a prerequisite to a middle class life and is a key to economic development and creating strong communities. Our universities and colleges are providing the transfer of research, information, and critical thinking skills that will ensure Georgia's strong future in the knowledge-based economy. This public agenda for USG makes college completion and

knowledge transfer a top priority through a series of actions and measures of progress with additional commitments to the Governor's Strategic Goals for Georgia.

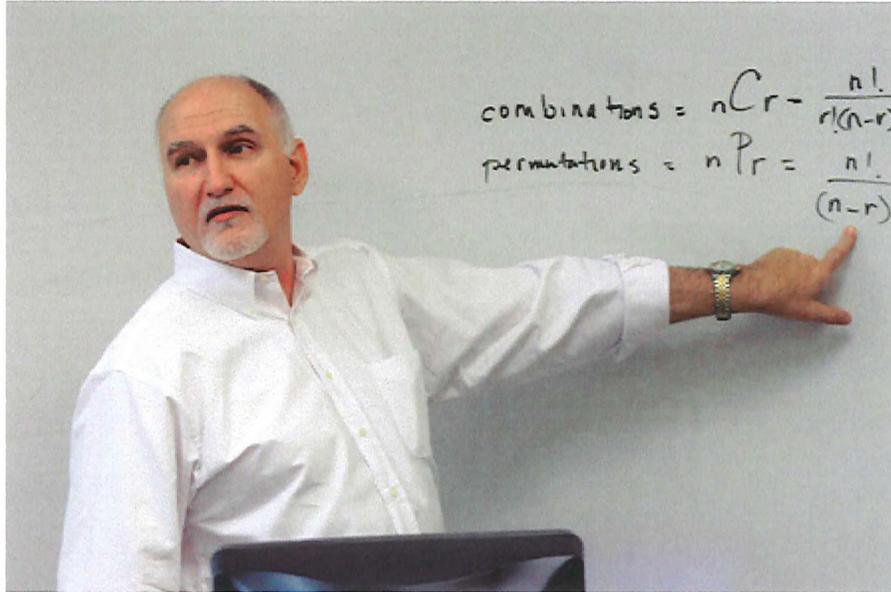

Both the Governor's Strategic Goals and this USG Strategic Plan and Public Agenda share the goals of educating Georgia's citizens for success in the global economy with a commitment to preparation for life-long learning and involvement in society. Academic programs, research and services that correspond with job growth and creation will strengthen areas of distinct advantage for Georgia in the global marketplace. Higher

education is a central contributor to the educational, economic, social, and cultural future of the state and has a major impact on health and quality of life measures. Through efficient deployment of research, teaching, and service and increased attention to public and private partnerships, the university system will ensure that it is a responsive and transformational enterprise for the citizens of Georgia. Use this website to track the forward progress of our public agenda for academic excellence, economic development, innovation and adaptation.

Strategic Imperative 1

Commitment to Academic Excellence and Degree Completion

The future of our state depends on Georgians obtaining meaningful college credentials at a

significantly higher rate than today. This commitment to degree completion will target the emerging workforce represented by our youth as well as the existing adult workforce, many of whom have some college but no degree.

- **Develop Partnerships for College Readiness.**

The USG will develop more intentional partnerships with K-12 education and the Technical College system and better utilize programs and assessments to ensure academic readiness for all students. We will define the success of our partnerships by what benefits our students and the State of Georgia. Collectively, Georgia's educational partners will ensure that more Georgians graduate from high school ready for college and careers and increase the number of students participating in postsecondary education and earning degrees.

- **Reaffirm Commitment to Collegiate Access and Affordability.**

The USG will maintain its longstanding commitment to collegiate access, affordability, and value. Overall costs to students and families must be mitigated by affordable degree

options and through continuance of a cost effective, access tier of colleges. Our access tier will accomplish this goal through a rigorous, focused commitment to educating students while minimizing some of the amenities that increasingly define, but also increase the cost of, a college education. Finally, private sector and alumni support is an absolute requirement to support our continued efforts to increase need-based grants and aid.

- **Develop New, Flexible, and Affordable Degree Options.**

The USG is committed to the development of new and flexible general education and degree program pathways that promote affordable and high-quality course and degree completion options to Georgians. Next generation academic program structures and innovations in distance learning, prior learning assessment, and open courses and learning resources provide opportunities for great expansion of the academic enterprise.

- **Ensure Student Support for At-risk Populations.**

The USG will continue the work to ensure student support for at-risk student populations, whether economically challenged or underprepared academically. From influencing aspirations for college to establishing services and support for enrolled students, the USG and its educational partners recognize that postsecondary education is increasingly a prerequisite to a middle class life and is a key to economic development and creating strong communities.

- **Commit to High-Quality Programs, Teaching, and Learning.**

The USG is committed to maintaining and improving the quality and diversity of academic programs, teaching, and learning opportunities. By placing an emphasis on academic program reviews, accreditation standards, faculty development opportunities, and pedagogical improvements, the universities and colleges will ensure the continual improvement of programs, curriculum, learning outcomes, and assessments.

Strategic Imperative 2

Commitment to Economic Development and World Class Research

The USG will ensure that Georgia remains a leader in an

increasingly competitive and complex global economy by supporting business recruitment and retention, driving business creation, and spurring research and creativity that make the state a center of innovation, discovery, and entrepreneurship.

Academic programs, research, and services that correspond with job growth and creation will strengthen areas of distinct advantage for Georgia in the global marketplace. Through efficient deployment of research, teaching, and service and increased attention to public and private partnerships, the university system will ensure that it is a responsive and transformational enterprise for the citizens of Georgia.

- **Focus on Economic Development.**

The USG will drive the growth of our state's knowledge-based economy and entrepreneurial ecosystem while supporting the economic development efforts of our government, businesses, and communities across the state. The USG will work with partners to identify economic development needs, to enable research and innovation, and to provide a visible gateway to the vast assets of the system. Whether through business and industry relationships, education and training with military partnerships, internship activities, or other direct linkages of academic programs to career opportunities, the

system and its campuses will strive for programmatic rigor and relevance as well as strong ties to the state's need for research and services in the knowledge economy.

- **Lead in Community Development Partnerships.**

The USG and its member universities and colleges will reaffirm the commitment to being strong stewards of the public's trust and provide leadership of community development partnerships. Higher education is a central contributor and voice to the educational, economic, social, and cultural future of the state. The system and its campuses are committed to providing timely and direct connections to local businesses, services, and community development.

- **Pursue Excellence in Research and Graduate/Professional Education.**

The USG is committed to positioning Georgia as an international center of research, discovery, innovation, and entrepreneurship. System coordination toward this goal is critical because, collectively, the pooled resources of the USG research universities, key university partners in the public and private sector, and centers of research, graduate education, and innovation on other USG campuses represent a powerful collection of assets. Georgia's top-tier research assets and opportunities must be grown to ensure that the state's full potential is realized in the knowledge economy.

- **Make Commitment to International Education.**

The USG is committed to increasing international education opportunities through student and faculty exchanges and to ensuring that all students in the system graduate as active and aware participants in the global economy and society.

Strategic Imperative 3

Commitment to Accountability & Efficiency and Leadership in Higher Education Innovation

We will ensure that the research, teaching and service resources and assets in higher education

are efficiently and effectively utilized and serve as an investment in the future of Georgia. Partnerships must continue to be developed that include corporate relations, philanthropic organizations, external sponsorship, and increased fundraising.

Further, the system and its leadership are committed to a critical exploration of the overall higher education enterprise so that Georgia remains a leading state and system of institutions amid the disruptive innovations in technology, business, and education.

- **Commit to Measures of Performance and Accountability.**

The USG and its institutions are committed to measuring performance and being accountable for its decisions. In addition to adoption of systemwide completion metrics and a new funding formula driven by outcomes rather than enrollments, the system will eliminate low-enrollment academic programs and limit the approval of new degrees without sufficient data demonstrating need. Data-driven decisions about facilities management and construction, budget allocations, and the need for new programs and facilities will become standard. Institutions will steward their resources and reputations through managing risk, meeting legal and ethical obligations, and by proactively
