

Video Series Resource Guide

Hypotheses and Theories

Skill-building Section

In this section you will build some skills that will be important through the research process such as how to develop a research question to locating sources.

Module Status

Research Question	<div><div></div></div>
Hypotheses	<div><div></div></div>
Sources	<div><div></div></div>
Credibility	<div><div></div></div>
Citations	<div><div></div></div>
Research Methods	<div><div></div></div>
