

Fall 2026: Courses of interest in Sustainability

Bagwell College of Education

ECE 2540 - Health, Wellness, & Young Child

College of Architecture and Construction Management

ARCH 1000 - Intro to Architecture

ARCH 3011 - Architecture Studio V

ARCH 3313 - Arch Studio VII: Integrated Design

ARCH 3313 - EnvTechIII: Human Com & Bldg Syst

Southern Polytechnic College of Engineering and Engineering Technology

CE 3702 - Intro to Environmental Engr

CE 3703 - Environmental Engineering Design

CE 4353 - Air Pollution Control

CE 4177 - Transportation Engineering

CE 4343 - Solid Waste Engineering

CE 4703 - Engineering Hydrology

ENGR 3501 - Fundamentals of Nuclear Engineering

ENGR 4601 - Fundamentals of Solar Power

ENGR 4501 - Nuclear Power Generation

IET 3511 - Sustainability Engineering

College of Science and Mathematics

CHEM 3700 - Environmental Chemistry

CHEM 5700 - Environmental Chemistry

ENVS 2202 - Environmental Science

ENVS 2202K - Introduction to Environmental Science

ENVS 3450 - Conservation Biology

ENVS 4399 - Environmental Science Seminar

ENVS 3100K - Soil and Water Science

Radow College of Humanities and Social Sciences

GEOG 1110 - The Digital Earth

GEOG 3330 - Economic Geography

GEOG 1113 - Introduction to Landforms

GEOG 3700 - Intro to Environmental Studies

GEOG 3395 - Geography of Clothing

GEOG 3800 - Climatology

GEOG 1125 Resources, Society, Environment
