Updates

None

Review/Discussion of Policies

Please review the policies and insert your comments / feedback in the shared documents linked below.

1. [Online Resource Ownership, Control, and Use Policy](#) - Strategic Communication / UITS

Substantive Revisions:

Changes clarify USG authority and ownership of KSU online resources, expanding definitions and scope to include contractors, third-party vendors with access, and specific features of online content. It also incorporates federally mandated web accessibility standards under Web Content Accessibility

Guidelines 2.1, outlines unit responsibilities and consequences for non-compliance, and establishes approval parameters for external links from the KSU website.

2. [Libraries Development Collection Policy](#) – University Libraries
New Policy

3. [Waiver Administration Policy](#) - Registrar's Office
Editorial Revisions?

Editorial changes and updates to titles, dates, and minimal verbiage. These changes do not impact overall scope or processes.

4. [Institutional and Program Accreditation Policy](#) - Academic Affairs
New Policy

This policy is intended to promote the quality and consistency of communication between KSU and accrediting agencies. It clarifies the definitions and expectations for the institution and for programs who are accredited by specialized accrediting bodies.

This policy is intended to promote the quality and consistency of communication between KSU and accrediting agencies. It clarifies the definitions and expectations for the institution and for programs who are accredited by specialized accrediting bodies.

5. [Cellular Wireless Communications Devices and Services Policy](#) - UITs
Editorial Only?

Change to add “or designee” under item b. Criteria to Determine Need.

To support approved research (requires additional approval from the Chief Information Security Officer, [or designee](#)).

To submit a policy for shared governance review, we need to receive the revisions by 04/06/2026.
